

Amendment No.

CHAMBER ACTION

Senate

House

.

---

1 Representative Pafford offered the following:

2  
3 **Amendment (with title amendment)**

4 Between lines 2992 and 2993, insert:

5 Section 26. Section 373.804, Florida Statutes, is created  
6 to read:

7 373.804 Restoration of Outstanding Florida Springs within  
8 springshed focus areas.—The department shall identify focus  
9 areas within springsheds and apply the same remediation  
10 techniques established for focus areas within Outstanding  
11 Florida Springs pursuant to s. 373.803. To publicly demonstrate  
12 that spring restoration is possible within a reasonable period  
13 of time, the department shall select an Outstanding Florida  
14 Spring within a springshed focus area for restoration and

Amendment No.

15 develop a plan that will, within 15 years, restore the water  
16 flow to within 10 percent of historical levels and reduce  
17 nitrate levels to below 0.35 mg/l. The department shall complete  
18 and post the restoration plan on its website by July 1, 2017.  
19 The department shall complete progress reports on such  
20 restoration every 3 years thereafter and post the reports on its  
21 website.

22 -----  
23  
24 **T I T L E A M E N D M E N T**

25 Between lines 136 and 137, insert:  
26 creating s. 373.804, F.S.; directing the department to  
27 identify focus areas within springsheds and apply  
28 specified remediation techniques; directing the  
29 department to develop a restoration plan for an  
30 Outstanding Florida Spring within such focus area;  
31 providing plan criteria; requiring the plan and  
32 progress reports to be completed and posted on the  
33 department's website by specified dates;
