Florida College System institution. Statewide articulation among public schools and Florida College System institutions is guaranteed by s. 1007.23_{7} and is subject to guidelines and standards adopted by the State Board of Education pursuant to ss. 1007.24 and 1007.25.

Section 10. Paragraph (b) of subsection (2) of section 1004.92, Florida Statutes, is amended, and subsection (4) is added to that section, to read:

1004.92 Purpose and responsibilities for career education.—

(2)

- (b) Department of Education accountability for career education includes, but is not limited to:
- 1. The provision of timely, accurate technical assistance to school districts and Florida College System institutions.
- 2. The provision of timely, accurate information to the State Board of Education, the Legislature, and the public.
- 3. The development of policies, rules, and procedures that facilitate institutional attainment of the accountability standards and coordinate the efforts of all divisions within the department.
- 4. The development of program standards and industry-driven benchmarks for career, adult, and community education programs, which must be updated every 3 years. The standards must reflect the quality components of a career and technical education program and include career, academic, and workplace

HB 7017, Engrossed 1

skills; viability of distance learning for instruction; and work/learn cycles that are responsive to business and industry.

- 5. Overseeing school district and Florida College System institution compliance with the provisions of this chapter.
- 6. Ensuring that the educational outcomes for the technical component of career programs are uniform and designed to provide a graduate who is capable of entering the workforce on an equally competitive basis regardless of the institution of choice.
- (4) The State Board of Education shall adopt rules to administer this section.

Section 11. Section 1004.93, Florida Statutes, is reordered and amended to read:

1004.93 Adult general education.-

- (1) (a) The intent of this section is to encourage the provision of educational services that will enable adults to acquire:
- 1. The basic skills necessary to attain basic and functional literacy.
- 2. A high school diploma or successfully complete the high school equivalency examination.
- 3. An educational foundation that will enable them to become more employable, productive, and self-sufficient citizens.
- (b) It is further intended that educational opportunities be available for adults who have earned a diploma or high school

Page 13 of 34

HB7017, Engrossed 1

equivalency diploma but who lack the basic skills necessary to function effectively in everyday situations, to enter the job market, or to enter career certificate instruction.

- (2) The adult education program must provide academic services to students in the following priority:
- (a) Students who demonstrate skills at less than a fifth grade level, as measured by tests approved for this purpose by the State Board of Education, and who are studying to achieve basic literacy.
- (b) Students who demonstrate skills at the fifth grade level or higher, but below the ninth grade level, as measured by tests approved for this purpose by the State Board of Education, and who are studying to achieve functional literacy.
- (c) Students who are earning credit required for a high school diploma or who are preparing for the high school equivalency examination. By July 1, 2017, each school district or Florida College System institution with an adult high school or offering a high school equivalency examination preparation program must offer at least one online program option that enables students to earn a high school diploma or its equivalent.
- (d) Students who have earned high school diplomas and require specific improvement in order to:
- Obtain or maintain employment or benefit from certificate career education programs;
 - 2. Pursue a postsecondary degree; or

- 365 Develop competence in the English language to qualify for employment.
 - If all students meeting the criteria of subsection (2) are provided academic services, the adult education program may provide academic services to:
 - (a) (e) Students who enroll in lifelong learning courses or activities that seek to address community social and economic issues that consist of health and human relations, government, parenting, consumer economics, and senior citizens.
 - Students who enroll in courses that relate to the recreational or leisure pursuits of the students. The cost of courses conducted pursuant to this paragraph shall be borne by the enrollees.
 - $(4) \frac{(3)}{(a)}$ Each district school board or Florida College System institution board of trustees shall negotiate with the regional workforce board for basic and functional literacy skills assessments for participants in the welfare transition employment and training programs. Such assessments shall be conducted at a site mutually acceptable to the district school board or Florida College System institution board of trustees and the regional workforce board.
 - State employees who are employed in local or regional offices of state agencies shall inform clients of the availability of adult basic and secondary programs in the region. The identities of clients who do not possess high school diplomas or who demonstrate skills below the level of functional

Page 15 of 34

literacy shall be conveyed, with their consent, to the local school district or Florida College System institution, or both.

- (c) To the extent funds are available, the Department of Children and Families shall provide for day care and transportation services to clients who enroll in adult basic education programs.
- (5) (4) (a) Adult general education shall be evaluated and funded as provided in s. 1011.80.
- (b) Fees for adult basic instruction are to be charged in accordance with chapter 1009.
- the levels and courses of instruction to be funded through the developmental education program. The state board shall coordinate the establishment of costs for developmental education courses, the establishment of statewide standards that define required levels of competence, acceptable rates of student progress, and the maximum amount of time to be allowed for completion of developmental education. Developmental education is part of an associate in arts degree program and may not be funded as an adult career education program.
- (d) Expenditures for developmental education and lifelong learning students shall be reported separately. Allocations for developmental education shall be based on proportional full-time equivalent enrollment. Program review results shall be included in the determination of subsequent allocations. A student shall be funded to enroll in the same developmental education class

Page 16 of 34

HB7017, Engrossed 1

within a skill area only twice, after which time the student shall pay 100 percent of the full cost of instruction to support the continuous enrollment of that student in the same class; however, students who withdraw or fail a class due to extenuating circumstances may be granted an exception only once for each class, provided approval is granted according to policy established by the board of trustees. Each Florida College System institution shall have the authority to review and reduce payment for increased fees due to continued enrollment in a developmental education class on an individual basis contingent upon the student's financial hardship, pursuant to definitions and fee levels established by the State Board of Education. Developmental education and lifelong learning courses do not generate credit toward an associate or baccalaureate degree.

(c) (e) A district school board or a Florida College System institution board of trustees may negotiate a contract with the regional workforce board for specialized services for participants in the welfare transition program, beyond what is routinely provided for the general public, to be funded by the regional workforce board.

 $\underline{(6)}$ If students who have been determined to be adults with disabilities are enrolled in workforce development programs, the funding formula must provide additional incentives for their achievement of performance outputs and outcomes.

 $\underline{(7)}$ (6) The commissioner shall recommend the level of funding for public school and Florida College System institution

adult education within the legislative budget request and make other recommendations and reports considered necessary or required by rules of the State Board of Education.

- (8) (7) Buildings, land, equipment, and other property owned by a district school board or Florida College System institution board of trustees may be used for the conduct of the adult education program. Buildings, land, equipment, and other property owned or leased by cooperating public or private agencies, organizations, or institutions may also be used for the purposes of this section.
- (9) (8) In order to accelerate the employment of adult education students, students entering adult general education programs after July 1, 2013, must complete the following action-steps-to-employment activities before the completion of the first term:
- (a) Identify employment opportunities using market-driven tools.
 - (b) Create a personalized employment goal.
 - (c) Conduct a personalized skill and knowledge inventory.
- (d) Compare the results of the personalized skill and knowledge inventory with the knowledge and skills needed to attain the personalized employment goal.
- (e) Upgrade skills and knowledge needed through adult general education programs and additional educational pursuits based on the personalized employment goal.

Page 18 of 34

HB 7017, Engrossed 1

The action-steps-to-employment activities may be developed through a blended approach with assistance provided to adult general education students by teachers, employment specialists, guidance counselors, business and industry representatives, and online resources. Students may be directed to online resources and provided information on financial literacy, student financial aid, industry certifications, and occupational services and a listing of job openings.

(10) (9) The State Board of Education may adopt rules necessary for the implementation of this section.

Section 12. Paragraph (b) of subsection (1) of section 1008.44, Florida Statutes, is amended to read:

1008.44 CAPE Industry Certification Funding List and CAPE Postsecondary Industry Certification Funding List.—

- (1) Pursuant to ss. 1003.4203 and 1003.492, the Department of Education shall, at least annually, identify, under rules adopted by the State Board of Education, and the Commissioner of Education may at any time recommend adding the following certificates, certifications, and courses:
- (b) No more than 30 15 CAPE Digital Tool certificates limited to the areas of word processing; spreadsheets; sound, motion, and color presentations; digital arts; cybersecurity; and coding pursuant to s. 1003.4203(3) that do not articulate for college credit. Such certificates shall be annually identified on the CAPE Industry Certification Funding List and updated solely by the Chancellor of Career and Adult Education.

Page 19 of 34

HB7017, Engrossed 1

The certificates shall be made available to students in elementary school and middle school grades and, if earned by a student, shall be eligible for additional full-time equivalent membership pursuant to s. 1011.62(1)(0)1.

Section 13. Paragraphs (d) and (e) of subsection (3) of section 1009.22, Florida Statutes, are redesignated as paragraphs (e) and (f), respectively, paragraph (c) of that subsection is amended, and a new paragraph (d) is added to that subsection, to read:

1009.22 Workforce education postsecondary student fees.—
(3)

(c) Effective July 1, 2014, for programs leading to a career certificate or an applied technology diploma, the standard tuition shall be \$2.33 per contact hour for residents and nonresidents, and the out-of-state fee shall be \$6.99 per contact hour. For adult general education programs, a block tuition of \$45 per half year or \$30 per term shall be assessed. Each district school board and Florida College System institution board of trustees shall adopt policies and procedures for the collection of and accounting for the expenditure of the block tuition. All funds received from the block tuition shall be used only for adult general education programs. Students enrolled in adult general education programs may not be assessed the fees authorized in subsection (5), subsection (6), or subsection (7).

- (3) If a program for disabled adults pursuant to s.

 1004.93 is a workforce program as defined in law, it must be funded as provided in this section.
- (4) Funding for all workforce education programs must be based on cost categories, performance output measures, and performance outcome measures.
- (a) The cost categories must be calculated to identify high-cost programs, medium-cost programs, and low-cost programs. The cost analysis used to calculate and assign a program of study to a cost category must include at least both direct and indirect instructional costs, consumable supplies, equipment, and standard program length.

- (b) The performance output measure for an adult general education course of study is measurable improvement in student skills. This measure shall include improvement in literacy skills, grade level improvement as measured by an approved test, or attainment of a State of Florida diploma or an adult high school diploma.
- (c) The performance outcome measures for adult general education programs are associated with placement and retention of students after reaching a completion point or completing a program of study. These measures include placement or retention in employment. Continuing postsecondary education at a level that will further enhance employment is a performance outcome for adult general education programs.
- (5) State funding and student fees for workforce education instruction shall be established as follows:
- (a) Expenditures for the continuing workforce education programs provided by the Florida College System institutions or school districts must be fully supported by fees. Enrollments in continuing workforce education courses shall not be counted for purposes of funding full-time equivalent enrollment.
- (b) For all other workforce education programs, state funding shall be calculated based on weighted enrollment and program costs minus fee revenues generated to offset program operational costs equal 75 percent of the average cost of instruction with the remaining 25 percent made up from student fees. Fees for courses within a program shall not vary according

to the cost of the individual program, but instead shall be <u>as</u> <u>provided in s. 1009.22</u> based on a uniform fee calculated and set at the state level, as adopted by the State Board of Education, unless otherwise specified in the General Appropriations Act.

- (c) For fee-exempt students pursuant to s. 1009.25, unless otherwise provided for in law, state funding shall equal 100 percent of the average cost of instruction.
- (c) (d) For a public educational institution that has been fully funded by an external agency for direct instructional costs of any course or program, the FTE generated shall not be reported for state funding.
- institution that provides workforce education programs shall receive funds in accordance with distributions for base and performance funding established by the Legislature in the General Appropriations Act. To ensure equitable funding for all school district workforce education programs and to recognize enrollment growth, the Department of Education shall use the funding model developed by the District Workforce Education Funding Steering Committee to determine each district's workforce education funding needs. To assist the Legislature in allocating workforce education funds in the General Appropriations Act, the funding model shall annually be provided to the legislative appropriations committees no later than March 1.

- (b) Operational funding shall be provided to school districts for workforce education programs based on weighted student enrollment and program costs determined by cost categories. The cost categories must be calculated to identify high-cost programs, medium-cost programs, and low-cost programs. The cost analysis used to calculate and assign a program of study to a cost category must include, at a minimum, direct and indirect instructional costs, consumable supplies, equipment, and standard program length.
- (7) Performance funding for workforce education programs shall be contingent upon specific appropriation in the General Appropriations Act. To assist the Legislature in determining performance funding allocations, the State Board of Education shall annually, by March 1, provide the Legislature with recommended formulas, criteria, timeframes, and mechanisms for distributing performance funds. These recommendations shall reward programs that:
- (a) Prepare people to enter high-skill and high-wage occupations identified by the Workforce Estimating Conference pursuant to s. 216.136 and programs approved by CareerSource Florida, Inc. At a minimum, performance incentives shall be calculated for adults who reach completion points or complete programs that lead to their placement in high-skill and high-wage employment.
- (b) Prepare adults who are eligible for public assistance, economically disadvantaged, disabled, not proficient in English,

- or dislocated workers for high-wage occupations. At a minimum, performance incentives shall be calculated at an enhanced value for such adults who complete programs that lead to their placement in high-wage employment. In addition, adjustments may be made in performance incentives for such adults who become employed in high-wage occupations in areas with high unemployment rates.
- (c) Increase student achievement in adult general education courses by measuring performance output and outcome measures.
- 1. The performance output measure for an adult general education course is measurable improvement in student skills.

 This measure includes improvement in literacy skills, gradelevel improvement as measured by an approved test, or attainment of a high school diploma.
- 2. The performance outcome measures for adult general education programs are placement in and retention of employment after reaching a completion point or completing a program. These measures include continuation of postsecondary education at a level that will further enhance employment.
- (d) (b) Award industry certifications. Performance funding for industry certifications for school district workforce education programs is contingent upon specific appropriation in the General Appropriations Act and shall be determined as follows:

Page 27 of 34

HB 7017, Engrossed 1

- 1. Occupational areas for which industry certifications may be earned, as established in the General Appropriations Act, are eligible for performance funding. Priority shall be given to the occupational areas emphasized in state, national, or corporate grants provided to Florida educational institutions.
- 2. The Chancellor of Career and Adult Education shall identify the industry certifications eligible for funding on the CAPE Postsecondary Industry Certification Funding List approved by the State Board of Education pursuant to s. 1008.44, based on the occupational areas specified in the General Appropriations Act.
- 3. Each school district shall be provided \$1,000 for each industry certification earned by a workforce education student. The maximum amount of funding appropriated for performance funding pursuant to this paragraph shall be limited to \$15 million annually. If funds are insufficient to fully fund the calculated total award, such funds shall be prorated.
- (c) A program is established to assist school districts and Florida College System institutions in responding to the needs of new and expanding businesses and thereby strengthening the state's workforce and economy. The program may be funded in the General Appropriations Act. The district or Florida College System institution shall use the program to provide customized training for businesses which satisfies the requirements of s. 288.047. Business firms whose employees receive the customized training must provide 50 percent of the cost of the training.

Page 28 of 34

HB7017, Engrossed 1

Balances remaining in the program at the end of the fiscal year shall not revert to the general fund, but shall be carried over for 1 additional year and used for the purpose of serving incumbent worker training needs of area businesses with fewer than 100 employees. Priority shall be given to businesses that must increase or upgrade their use of technology to remain competitive.

- (8) (7) (a) A school district or Florida College System institution that receives workforce education funds must use the money to benefit the workforce education programs it provides. The money may be used for equipment upgrades, program expansions, or any other use that would result in workforce education program improvement. The district school board or Florida College System institution board of trustees may not withhold any portion of the performance funding for indirect costs.
- (b) State funds provided for the operation of postsecondary workforce programs may not be expended for the education of state or federal inmates.
- (8) The State Board of Education and CareerSource Florida, Inc., shall provide the Legislature with recommended formulas, criteria, timeframes, and mechanisms for distributing performance funds. The commissioner shall consolidate the recommendations and develop a consensus proposal for funding. The Legislature shall adopt a formula and distribute the performance funds to the State Board of Education for Florida

College System institutions and school districts through the General Appropriations Act. These recommendations shall be based on formulas that would discourage low-performing or low-demand programs and encourage through performance-funding awards:

(a) Programs that prepare people to enter high-wage occupations identified by the Workforce Estimating Conference created by s. 216.136 and other programs as approved by CareerSource Florida, Inc. At a minimum, performance incentives shall be calculated for adults who reach completion points or complete programs that lead to specified high-wage employment and to their placement in that employment.

(b) Programs that successfully prepare adults who are eligible for public assistance, economically disadvantaged, disabled, not proficient in English, or dislocated workers for high-wage occupations. At a minimum, performance incentives shall be calculated at an enhanced value for the completion of adults identified in this paragraph and job placement of such adults upon completion. In addition, adjustments may be made in payments for job placements for areas of high unemployment.

(c) Programs that are specifically designed to be consistent with the workforce needs of private enterprise and regional economic development strategies, as defined in guidelines set by CareerSource Florida, Inc. CareerSource Florida, Inc., shall develop guidelines to identify such needs and strategies based on localized research of private employers and economic development practitioners.

(d) Programs identified by CareerSource Florida, Inc., as increasing the effectiveness and cost efficiency of education. (9) (10) A high school student dually enrolled under s. 1007.271 in a workforce education program operated by a Florida College System institution or school district career center generates the amount calculated for workforce education funding, including any payment of performance funding, and the proportional share of full-time equivalent enrollment generated through the Florida Education Finance Program for the student's enrollment in a high school. If a high school student is dually enrolled in a Florida College System institution program, including a program conducted at a high school, the Florida College System institution earns the funds generated for workforce education funding, and the school district earns the proportional share of full-time equivalent funding from the Florida Education Finance Program. If a student is dually enrolled in a career center operated by the same district as the district in which the student attends high school, that district earns the funds generated for workforce education funding and also earns the proportional share of full-time equivalent funding from the Florida Education Finance Program. If a student is dually enrolled in a workforce education program provided by a career center operated by a different school district, the funds must be divided between the two school districts proportionally from the two funding sources. A student may not be reported for funding in a dual enrollment workforce education

program unless the student has completed the basic skills assessment pursuant to s. 1004.91. A student who is coenrolled in a K-12 education program and an adult education program may be reported for purposes of funding in an adult education program. If a student is coenrolled in core curricula courses for credit recovery or dropout prevention purposes and does not have a pattern of excessive absenteeism or habitual truancy or a history of disruptive behavior in school, the student may be reported for funding for up to two courses per year. Such a student is exempt from the payment of the block tuition for adult general education programs provided in s. 1009.22(3)(c). The Department of Education shall develop a list of courses to be designated as core curricula courses for the purposes of coenrollment.

 $\underline{(10)}$ (11) The State Board of Education may adopt rules to administer this section.

Section 16. Section 1011.802, Florida Statutes, is created to read:

1011.802 Florida Apprenticeship Grant (FLAG) program.-

(1) The Florida Apprenticeship Grant (FLAG) program is created to provide grants to career centers, charter technical career centers, and Florida College System institutions on a competitive basis to establish new apprenticeship programs and expand existing apprenticeship programs. The Division of Career and Adult Education within the department shall administer the grant program.

Page 32 of 34

HB 7017, Engrossed 1

- (2) Applications from career centers, charter technical career centers, and Florida College System institutions must contain projected enrollment and projected costs for the new or expanded apprenticeship program.
- (3) The department shall give priority to apprenticeship programs in the areas of information technology, health, and machining and manufacturing. Grant funds may be used for instructional equipment, supplies, personnel, student services, and other expenses associated with the creation or expansion of an apprenticeship program. Grant funds may not be used for recurring instructional costs or for a center's or an institution's indirect costs. Grant recipients must submit quarterly reports in a format prescribed by the department.

 Section 17. Section 1011.803, Florida Statutes, is created

Section 17. Section 1011.803, Florida Statutes, is created to read:

1011.803 Rapid Response Grant program.-

- (1) The Rapid Response Grant program is established to competitively award grants for the expansion or implementation of high-demand postsecondary programs at career centers, as defined in ss. 1001.44 and 1002.34.
- (2) Each career center applying for a grant shall submit an application to the Department of Education in the format prescribed by the department. The application must include, but need not be limited to, program expansion or development details, projected enrollment, and projected costs.
 - (3) Each career center that is awarded a grant under this
