Amendment No.

13 (a) Must include training on how to identify appropriate
14 mental health services and how to refer youth and their families
15 to those services.

16 (b) May include materials currently being used by a school
17 district if such materials meet any criteria established by the
18 department.

19 (c) May include programs that instructional personnel can
20 complete through a self-review of approved youth suicide
21 awareness and prevention materials.

22 (2) A school that chooses to incorporate 2 hours of
23 training offered pursuant to this section shall be considered a
24 "Suicide Prevention Certified School." The training must be
25 included in the existing continuing education or inservice
26 training requirements for instructional personnel and may not
27 add to the total hours currently required by the department. A
28 school that chooses to participate in the training must require
29 all instructional personnel to participate.

30 (3) A school that participates in the suicide awareness
31 and prevention training pursuant to this section must report its
32 participation to the department. The department shall keep an
33 updated record of all Suicide Prevention Certified Schools.
