164 (b) It is the intent of the Legislature to offer a
 165 comprehensive package of health insurance and retirement
 166 benefits and a personnel system for state employees which are
 167 provided in a cost-efficient and prudent manner, and to allow
 168 state employees the option to choose benefit plans which best
 169 suit their individual needs. ~~Therefore,~~ The state group
 170 insurance program ~~is established which~~ may include the state
 171 group health insurance plan or plans, health maintenance
 172 organization plans, group life insurance plans, TRICARE
 173 supplemental insurance plans, group accidental death and
 174 dismemberment plans, ~~and~~ group disability insurance plans, ~~and~~
 175 ~~Furthermore, the department is additionally authorized to~~

 177 ~~program any other group insurance plans or coverage choices, and~~
 178 other benefits authorized by law ~~that are consistent with the~~
 179 ~~provisions of this section.~~

180 (f) Except as provided for in subparagraph (h)2., the
 181 state contribution toward the cost of any plan in the state
 182 group insurance program shall be uniform with respect to all

183 state employees in a state collective bargaining unit
184 participating in the same coverage tier in the same plan. This
185 section does not prohibit the development of separate benefit
186 plans for officers and employees exempt from the career service
187 or the development of separate benefit plans for each collective
188 bargaining unit. For the 2019 plan year and thereafter, if the
189 state's contribution is more than the premium cost of the health
190 plan selected by the employee, subject to federal limitation,
191 the employee may elect to have the balance:

- 192 1. Credited to the employee's flexible spending account;
- 193 2. Credited to the employee's health savings account;
- 194 3. Used to purchase additional benefits offered through
195 the state group insurance program; or
- 196 4. Used to increase the employee's salary.

197 (h)1. A person eligible to participate in the state group
198 insurance program may be authorized by rules adopted by the
199 department, in lieu of participating in the state group health
200 insurance plan, to exercise an option to elect membership in a
201 health maintenance organization plan which is under contract
202 with the state in accordance with criteria established by this
203 section and by said rules. The offer of optional membership in a
204 health maintenance organization plan permitted by this paragraph
205 may be limited or conditioned by rule as may be necessary to
206 meet the requirements of state and federal laws.

207 2. The department shall contract with health maintenance
208 organizations seeking to participate in the state group

209 insurance program through a request for proposal or other
210 procurement process, as developed by the Department of
211 Management Services and determined to be appropriate.

212 a. The department shall establish a schedule of minimum
213 benefits for health maintenance organization coverage, and that
214 schedule shall include: physician services; inpatient and
215 outpatient hospital services; emergency medical services,
216 including out-of-area emergency coverage; diagnostic laboratory
217 and diagnostic and therapeutic radiologic services; mental
218 health, alcohol, and chemical dependency treatment services
219 meeting the minimum requirements of state and federal law;
220 skilled nursing facilities and services; prescription drugs;
221 age-based and gender-based wellness benefits; and other benefits
222 as may be required by the department. Additional services may be
223 provided subject to the contract between the department and the
224 HMO. As used in this paragraph, the term "age-based and gender-
225 based wellness benefits" includes aerobic exercise, education in
226 alcohol and substance abuse prevention, blood cholesterol
227 screening, health risk appraisals, blood pressure screening and
228 education, nutrition education, program planning, safety belt
229 education, smoking cessation, stress management, weight
230 management, and women's health education.

231 b. The department may establish uniform deductibles,
232 copayments, coverage tiers, or coinsurance schedules for all
233 participating HMO plans.

234 c. The department may require detailed information from

235 each health maintenance organization participating in the
236 procurement process, including information pertaining to
237 organizational status, experience in providing prepaid health
238 benefits, accessibility of services, financial stability of the
239 plan, quality of management services, accreditation status,
240 quality of medical services, network access and adequacy,
241 performance measurement, ability to meet the department's
242 reporting requirements, and the actuarial basis of the proposed
243 rates and other data determined by the director to be necessary
244 for the evaluation and selection of health maintenance
245 organization plans and negotiation of appropriate rates for
246 these plans. Upon receipt of proposals by health maintenance
247 organization plans and the evaluation of those proposals, the
248 department may enter into negotiations with all of the plans or
249 a subset of the plans, as the department determines appropriate.
250 Nothing shall preclude the department from negotiating regional
251 or statewide contracts with health maintenance organization
252 plans when this is cost-effective and when the department
253 determines that the plan offers high value to enrollees.

254 d. The department may limit the number of HMOs that it
255 contracts with in each service area based on the nature of the
256 bids the department receives, the number of state employees in
257 the service area, or any unique geographical characteristics of
258 the service area. The department shall establish by rule service
259 areas throughout the state.

260 e. All persons participating in the state group insurance

261 program may be required to contribute towards a total state
262 group health premium that may vary depending upon the plan,
263 coverage level, and coverage tier selected by the enrollee and
264 the level of state contribution authorized by the Legislature.

265 3. The department is authorized to negotiate and to
266 contract with specialty psychiatric hospitals for mental health
267 benefits, on a regional basis, for alcohol, drug abuse, and
268 mental and nervous disorders. The department may establish,
269 subject to the approval of the Legislature pursuant to
270 subsection (5), any such regional plan upon completion of an
271 actuarial study to determine any impact on plan benefits and
272 premiums.

273 4. In addition to contracting pursuant to subparagraph 2.,
274 the department may enter into contract with any HMO to
275 participate in the state group insurance program which:

276 a. Serves greater than 5,000 recipients on a prepaid basis
277 under the Medicaid program;

278 b. Does not currently meet the 25-percent non-
279 Medicare/non-Medicaid enrollment composition requirement
280 established by the Department of Health excluding participants
281 enrolled in the state group insurance program;

282 c. Meets the minimum benefit package and copayments and
283 deductibles contained in sub-subparagraphs 2.a. and b.;

284 d. Is willing to participate in the state group insurance
285 program at a cost of premiums that is not greater than 95
286 percent of the cost of HMO premiums accepted by the department

287 | in each service area; and

288 | e. Meets the minimum surplus requirements of s. 641.225.

289 |

290 | The department is authorized to contract with HMOs that meet the
291 | requirements of sub-subparagraphs a.-d. prior to the open
292 | enrollment period for state employees. The department is not
293 | required to renew the contract with the HMOs as set forth in
294 | this paragraph more than twice. Thereafter, the HMOs shall be
295 | eligible to participate in the state group insurance program
296 | only through the request for proposal or invitation to negotiate
297 | process described in subparagraph 2.

298 | 5. All enrollees in a state group health insurance plan, a
299 | TRICARE supplemental insurance plan, or any health maintenance
300 | organization plan have the option of changing to any other
301 | health plan that is offered by the state within any open
302 | enrollment period designated by the department. Open enrollment
303 | shall be held at least once each calendar year.

304 | 6. When a contract between a treating provider and the
305 | state-contracted health maintenance organization is terminated
306 | for any reason other than for cause, each party shall allow any
307 | enrollee for whom treatment was active to continue coverage and
308 | care when medically necessary, through completion of treatment
309 | of a condition for which the enrollee was receiving care at the
310 | time of the termination, until the enrollee selects another
311 | treating provider, or until the next open enrollment period
312 | offered, whichever is longer, but no longer than 6 months after

313 termination of the contract. Each party to the terminated
314 contract shall allow an enrollee who has initiated a course of
315 prenatal care, regardless of the trimester in which care was
316 initiated, to continue care and coverage until completion of
317 postpartum care. This does not prevent a provider from refusing
318 to continue to provide care to an enrollee who is abusive,
319 noncompliant, or in arrears in payments for services provided.
320 For care continued under this subparagraph, the program and the
321 provider shall continue to be bound by the terms of the
322 terminated contract. Changes made within 30 days before
323 termination of a contract are effective only if agreed to by
324 both parties.

325 7. Any HMO participating in the state group insurance
326 program shall submit health care utilization and cost data to
327 the department, in such form and in such manner as the
328 department shall require, as a condition of participating in the
329 program. The department shall enter into negotiations with its
330 contracting HMOs to determine the nature and scope of the data
331 submission and the final requirements, format, penalties
332 associated with noncompliance, and timetables for submission.
333 These determinations shall be adopted by rule.

334 8. The department may establish and direct, with respect
335 to collective bargaining issues, a comprehensive package of
336 insurance benefits that may include supplemental health and life
337 coverage, dental care, long-term care, vision care, and other
338 benefits it determines necessary to enable state employees to

339 select from among benefit options that best suit their
340 individual and family needs. Beginning with the 2017 plan year,
341 the package of benefits may also include products and services
342 described in s. 110.12303.

343 a. Based upon a desired benefit package, the department
344 shall issue a request for proposal or invitation to negotiate
345 for ~~health insurance~~ providers interested in participating in
346 the state group insurance program, and the department shall
347 issue a request for proposal or invitation to negotiate for
348 ~~insurance~~ providers interested in participating in the non-
349 health-related components of the state group insurance program.
350 Upon receipt of all proposals, the department may enter into
351 contract negotiations with ~~insurance~~ providers submitting bids
352 or negotiate a specially designed benefit package. Insurance
353 providers offering or providing supplemental coverage as of May
354 30, 1991, which qualify for pretax benefit treatment pursuant to
355 s. 125 of the Internal Revenue Code of 1986, with 5,500 or more
356 state employees currently enrolled may be included by the
357 department in the supplemental insurance benefit plan
358 established by the department without participating in a request
359 for proposal, submitting bids, negotiating contracts, or
360 negotiating a specially designed benefit package. These
361 contracts shall provide state employees with the most cost-
362 effective and comprehensive coverage available; however, except
363 as provided in subparagraph (f)3., no state or agency funds
364 shall be contributed toward the cost of any part of the premium

365 of such supplemental benefit plans. With respect to dental
366 coverage, the division shall include in any solicitation or
367 contract for any state group dental program made after July 1,
368 2001, a comprehensive indemnity dental plan option which offers
369 enrollees a completely unrestricted choice of dentists. If a
370 dental plan is endorsed, or in some manner recognized as the
371 preferred product, such plan shall include a comprehensive
372 indemnity dental plan option which provides enrollees with a
373 completely unrestricted choice of dentists.

374 b. Pursuant to the applicable provisions of s. 110.161,
375 and s. 125 of the Internal Revenue Code of 1986, the department
376 shall enroll in the pretax benefit program those state employees
377 who voluntarily elect coverage in any of the supplemental
378 ~~insurance~~ benefit plans as provided by sub-subparagraph a.

379 c. Nothing herein contained shall be construed to prohibit
380 insurance providers from continuing to provide or offer
381 supplemental benefit coverage to state employees as provided
382 under existing agency plans.

383 (j) For the 2019 plan year and thereafter, health plans
384 shall be offered in the following benefit levels:

385 1. Platinum level, which shall have an actuarial value of
386 at least 90 percent.

387 2. Gold level, which shall have an actuarial value of at
388 least 80 percent.

389 3. Silver level, which shall have an actuarial value of at
390 least 70 percent.

HB 7089

2016

391 4. Bronze level, which shall have an actuarial value of at
392 least 60 percent ~~Notwithstanding paragraph (f) requiring uniform~~
393 ~~contributions, and for the 2011-2012 fiscal year only, the state~~
394 ~~contribution toward the cost of any plan in the state group~~
395 ~~insurance plan is the difference between the overall premium and~~
396 ~~the employee contribution. This subsection expires June 30,~~
397 ~~2012.~~

398 (k) In consultation with the independent benefits
399 consultant described in s. 110.12304, the department shall
400 develop a plan for implementation of the benefit levels
401 described in paragraph (j). The plan shall be submitted to the
402 Governor, the President of the Senate, and the Speaker of the
403 House of Representatives by January 1, 2018, and include
404 recommendations for:

- 405 1. Employer and employee contribution policies.
406 2. Steps necessary for maintaining or improving total
407 employee compensation levels when the transition is initiated.
408 3. An education strategy to inform employees of the
409 additional choices available in the state group insurance
410 program.

411
412 This paragraph expires July 1, 2018.

481 require the entity to:

482 (a) Establish an Internet-based, consumer-friendly
483 platform that educates and informs enrollees about the price and
