5 Section 5. Subsection (13) is added to section 704.06,
6 Florida Statutes, to read:

7 704.06 Conservation easements; creation; acquisition;
8 enforcement.-

9 (13) A conservation easement agreement may include
10 provisions which allow agricultural activities, including, but
11 not limited to, silviculture, forestry management, and livestock
12 grazing, if such activity is a current or historic use of the
13 land placed under easement. If such agricultural activities are
14 allowed under the terms of the agreement, such activities must

15 be conducted in accordance with applicable best management
16 practices adopted by the Department of Agriculture and Consumer
17 Services. This subsection does not restrict or diminish the
18 authority granted in a previous conservation easement agreement
19 for forest management and livestock grazing as a compatible use
20 on lands subject to a conservation easement.
