LEGISLATIVE ACTION

Senate	.	House
Comm: RCS	.	
01/20/2016	.	
	.	
	.	
	.	

The Committee on Environmental Preservation and Conservation
(Hays) recommended the following:

Senate Amendment

Delete lines 112 - 114

and insert:

(8) A divers-down warning device displayed from a vessel
must be displayed from the highest point of the vessel or
another location that ensures that the visibility of the divers-
down warning device is
