House Resolution

A resolution commemorating the centennial of the
Florida Engineering Society.

WHEREAS, the mission of the Florida Engineering Society is
to support engineering education, advocate licensure, promote
the ethical and competent practice of engineering, enhance the
image and well-being of all engineers in this state, and further
the public's knowledge and understanding of the importance of
the profession, and

WHEREAS, engineers design, construct, and maintain the
infrastructure and facilities that contribute to the public
health and safety of the residents of this state, and

WHEREAS, Florida's growth has been facilitated by engineers
executing innovative, creative, and high-quality solutions to
technical problems, and

WHEREAS, members of the Florida Engineering Society
interact with engineering education students and institutions to
help prepare future engineers to maintain this state's economic
leadership and quality of life, and

WHEREAS, engineers from throughout the state met on
December 22, 1916, to organize what became the Florida
Engineering Society, which this year celebrates the 100th
anniversary of its founding with the motto: "A Century of
Innovation," NOW, THEREFORE,
