Senator Grimsley moved the following:

**Senate Amendment (with title amendment)**

Between lines 516 and 517

insert:

Section 1. (1) The Department of Environmental Protection shall evaluate the potential for using the Inland Protection Trust Fund to respond to the damage or potential damage to underground storage tank systems caused by ethanol or biodiesel. The department shall issue a request for information regarding the potential for damage to underground petroleum systems by ethanol or biodiesel and the potential costs of implementing and

476894

12 maintaining a program to address such damage. The department  
13 shall compile this information into a report, which shall be  
14 submitted to the President of the Senate, the Speaker of the  
15 House of Representatives, and the Governor by December 15, 2017.

16 (2) For the 2017-2018 fiscal year, the sum of \$25,000 in  
17 nonrecurring funds from the Inland Protection Trust Fund is  
18 provided to fund the program provided in subsection (1).

19 (3) This section expires December 30, 2017.

22 And the title is amended as follows:

23 Delete line 58

24 and insert:

25 for allocating; requiring the department to evaluate  
26 the potential for using a specified trust fund for a  
27 specified purpose; requiring the department to issue a  
28 request for information regarding the potential for  
29 damage to underground petroleum systems and to compile  
30 a report; requiring the report to be submitted to the  
31 Legislature and the Governor; providing an  
32 appropriation; providing an expiration date; providing  
33 an effective date.
