II. Present Situation:

State law on fire prevention and control is provided in ch. 633, F.S. Section 633.104, F.S., designates the Chief Financial Officer (CFO) as the State Fire Marshal, operating through the

The Division of the State Fire Marshal (Division) consists of the following four bureaus: the Bureau of Fire and Arson Investigations, the Bureau of Fire Standards and Training, the Bureau of Forensic Fire and Explosive Analysis, and the Bureau of Fire Prevention. The Florida State Fire College, part of the Bureau of Fire Standards and Training, trains over 6,000 students per year. The Inspections Section, under the Bureau of Fire Prevention, annually inspects more than 14,000 state-owned buildings and facilities. Over 1.8 million fire and emergency reports are collected every year. These reports are entered into a database to form the basis for the State Fire Marshal's annual report.³
