Section 633.104, F.S., which designates the Chief Financial Officer (CFO) as the State Fire Marshal, operating through the Department of Financial Services (DFS), Division of the State Fire Marshal (Division).¹ Pursuant to this authority, the State Fire Marshal regulates, trains, and certifies fire service personnel; investigates the causes of fires; enforces arson laws; regulates the installation of fire equipment; conducts firesafety inspections of state property; develops firesafety standards; provides facilities for the analysis of fire debris; and operates the Florida State Fire College. These reports are entered into a database to form the basis for the State Fire Marshal's annual report.⁶
