 11 Be It Enacted by the Legislature of the State of Florida:

12
 13 Section 1. (1) The Office of Program Policy Analysis and
 14 Government Accountability (OPPAGA) shall conduct a performance
 15 funding study that must include:

16 (a) The number of states with performance plans for public
 17 community colleges and universities.

18 (b) The number of states that use specific metrics for
 19 each public community college and university and the number of
 20 states that use the same metrics for all public community
 21 colleges and universities.

22 (c) The number of states that use recurring funds and the
 23 number of states that use nonrecurring funds.

24 (d) The number of states that include performance funds in
 25 the base allocations for public community colleges and

26 universities and the percentage amounts of such funds.

27 (e) The number of states in which public community
28 colleges and universities win awards for meeting performance
29 benchmarks and the number of states that withhold funds if
30 benchmarks are not met.

31 (f) The number of states that allow the loss of the
32 previous year's base funding as a penalty within the performance
33 plans.

34 (g) Information on how each state establishes the metrics,
35 including which entity establishes the metrics.

36 (h) An analysis of Florida's performance-based funding,
37 including:

38 1. Demographics of each Florida College System institution
39 and state university.

40 2. The average SAT and ACT score for incoming freshmen at
41 each Florida College System institution and state university.

42 3. The percentage of students enrolled at each Florida
43 College System institution and state university who have been
44 awarded a Florida Bright Futures Scholarship.

45 4. The percentage of students enrolled at each Florida
46 College System institution and state university who have been
47 awarded a Pell grant.

48 5. The percentage of students who are 18 to 24 years of
49 age and are enrolled full time at each Florida College System
50 institution and state university.

55 age and are enrolled part time at each Florida College System
56 institution and state university.

57 8. The percentage of students who are 25 years of age or
58 older and are enrolled part time at each Florida College System
59 institution and state university.

60 9. The history of performance-based awards granted to each
61 Florida College System institution and state university.

62 10. The number of performance-based metrics that are
63 identical to the performance-based funding metrics used for
64 Florida College System institutions and state universities.

65 11. The number of performance-based metrics that are
66 unique to each Florida College System institution and state
67 university.

68 (2) By December 1, 2017, OPPAGA shall submit a report
69 comprising the information specified in subsection (1) to the
70 President of the Senate, the Speaker of the House of
71 Representatives, and the standing legislative committees with
72 substantive jurisdiction over performance-based funding for
73 public postsecondary institutions.

74 Section 2. This act shall take effect July 1, 2017.
