428

429 ~~The 3 percent benefit accrual factor for active employees in~~  
430 ~~subparagraphs (a) 2., 3., and 4. is contingent on and subject to~~  
431 ~~the adoption and maintenance of the assumptions set forth in~~  
432 ~~subsection (34). If such assumptions are modified by~~  
433 ~~legislative, judicial, or administrative agency action and the~~  
434 ~~modification results in increased City contributions to the~~  
435 ~~Pension Fund, the 3 percent benefit accrual factor for active~~  
436 ~~employees in subparagraphs (a) 2., 3., and 4. shall be~~  
437 ~~automatically decreased prospectively from the date of the~~  
438 ~~action, to completely offset the increase in City contributions.~~  
439 ~~However, in no event shall the benefit accrual factor in~~  
440 ~~subparagraphs (a) 1., 2., 3., 4., and 5. be adjusted below 2.5~~  
441 ~~percent.~~

442

443 To the extent that the benefit accrual factor is less than 3  
444 percent for active members with less than 12 years and 6 months  
445 of service on October 1, 1999, the supplemental pension  
446 distribution calculation under subparagraph (12)(a)2. shall be

447 adjusted for employees who retire or enter the DROP after  
448 October 1, 1999. The adjustment shall be to decrease the minimum  
449 return of 8.25 percent needed to afford the supplemental pension  
450 distribution, where the amount of the reduction is zero if an  
451 employee has been credited with 12 years and 6 months of service  
452 or more with the 3-percent benefit accrual factor or 1.25  
453 percent if an employee has been credited with no more than a  
454 2.5-percent benefit accrual factor. If an employee has been  
455 credited with less than 12 years and 6 months of service at the  
456 3-percent benefit accrual factor, then the accumulated amount  
457 over 2.5 percent for each year of service divided by one-half  
458 percent divided by 12.5 subtracted from 1 multiplied by 1.25  
459 percent is the reduction from 8.25 percent. An example of the  
460 calculation of the minimum return for the supplemental pension  
461 distribution as herein described is set forth in the collective  
462 bargaining agreement between the City of West Palm Beach and the  
463 Police Benevolent Association, Certified Unit No. 145 and  
464 Certified Unit No. 825, October 1, 1998-September 30, 2001.  
465  
466 Effective October 1, 2011, the assumed investment rate of return  
467 was lowered from 8.25 percent to 8 percent, which resulted in a  
468 reduction in the benefit multiplier to 2.68 percent for all  
469 prospective years of service, up to 26 years of service in  
470 total, and 1 percent for each year of service after 26.  
471 Additionally, for any supplemental pension distributions

472 subsequent to October 1, 2011, the revised factors in this  
473 paragraph will be applied.

474 (b) Payment of benefits.—

475 1. First payment.—Service pensions shall be payable on the  
476 first day of each month. The first payment shall be payable the  
477 first day of the month coincident with or next following the  
478 date of retirement or death, provided the member has completed  
479 the applicable age and service requirements.

480 2. Last payment.—The last payment shall be the payment due  
481 next preceding the member's death, except that payments shall be  
482 continued to the designated beneficiary (or beneficiaries) if a  
483 10-year certain benefit, a joint and survivor option, or  
484 beneficiary benefits, as applicable, are payable.

485 (c) Normal form of retirement income; 10-year certain  
486 benefit.—

487 1. Married member.—The normal form of retirement benefit  
488 for a married member or for a member with dependent children or  
489 parents shall be a pension and death benefits. The pension  
490 benefit shall provide monthly payments for the life of the  
491 member. Thereafter, death benefits shall be paid to the  
492 ~~beneficiary~~ designated survivor ~~by the member~~ as provided in  
493 subsection (17).

494 2. Unmarried member.—The normal form of retirement benefit  
495 for an unmarried member without dependent children or parents  
496 shall be a 10- year certain benefit. This benefit shall pay

497 monthly benefits for the member's lifetime. In the event the  
498 member dies after his or her retirement but before receiving  
499 retirement benefits for a period of 10 years, the same monthly  
500 benefit shall be paid to the beneficiary (or beneficiaries) as  
501 designated by the member for the balance of such 10-year period  
502 or, if no beneficiary is designated, to heirs at law, or estate  
503 of the member, as provided in section 185.162, Florida Statutes.

504 (d) Optional forms of retirement income.—

505 1.a. In the event of normal, early, or disability  
506 retirement, in lieu of the normal form of retirement income  
507 payable as specified in paragraph (c), and in lieu of the death  
508 benefits as specified in subsection (17), a member, upon written  
509 request to the Board and subject to the approval of the Board,  
510 may elect to receive a retirement income of equivalent actuarial  
511 value payable in accordance with one of the following options:

512 (I) Lifetime option.—A retirement income of a larger  
513 monthly amount, payable to the member for his or her lifetime  
514 only.

515 (II) Joint and survivor option.—A retirement income of a  
516 modified monthly amount, payable to the member during the joint  
517 lifetime of the member and a dependent joint pensioner  
518 designated by the member, and following the death of either of  
519 them, 100 percent, 75 percent, 66- 2/3 percent, or 50 percent of  
520 such monthly amounts, payable to the survivor for the lifetime  
521 of the survivor.

522        (III) 10-year certain option.-A retirement income of the  
523 normal form of benefit but in lieu of the survivor benefits as  
524 provided for in subsection (17), the member may elect to  
525 designate a beneficiary to receive the remainder of 120  
526 payments, in the event that the member dies before receiving 120  
527 payments. In the event that the member/retiree receives 120 or  
528 more payments, no benefit is ever paid to a beneficiary.

529        b. The member, upon electing any option of this paragraph,  
530 shall designate the joint pensioner or beneficiary (or  
531 beneficiaries) to receive the benefit, if any, payable in the  
532 event of his or her death, and shall have the power to change  
533 such designation from time to time; but any such change shall be  
534 deemed a new election and shall be subject to approval by the  
535 Board. Such designation shall name a joint pensioner or one or  
536 more primary beneficiaries where applicable. If a member has  
537 elected an option with a joint pensioner or beneficiary and his  
538 or her retirement income benefits have commenced, he or she may  
539 thereafter change the designated joint pensioner or beneficiary  
540 only twice. Any retired member who desires to change his or her  
541 joint pensioner or beneficiary shall file with the Board a  
542 notarized notice of such change. Upon receipt of a completed  
543 change of joint pensioner form or such other notice, the Board  
544 shall adjust the member's monthly benefit by the application of  
545 actuarial tables and calculations developed to ensure that the

546 benefit paid is the actuarial equivalent of the present value of  
547 the member's current benefit and there is no impact to the Plan.

548 c. The consent of a member's joint pensioner or  
549 beneficiary to any such change shall not be required.

550 d. For any other changes of beneficiaries, the Board may  
551 request such evidence of the good health of the joint pensioner  
552 who is being removed as it may require; and the amount of the  
553 retirement income payable to the member upon the designation of  
554 a new joint pensioner shall be actuarially redetermined, taking  
555 into account the ages and sex of the former joint pensioner, the  
556 new joint pensioner, and the member. Each such designation shall  
557 be made in writing on a form prepared by the Board, and, on  
558 completion, shall be filed with the Board. In the event that no  
559 designated beneficiary survives the member, such benefits as are  
560 payable in the event of the death of the member subsequent to  
561 his or her retirement shall be paid as provided in subparagraph  
562 (c)2.

563 2. Retirement income payments shall be made under the  
564 option elected in accordance with the provisions of this  
565 paragraph and shall be subject to the following limitations:

566 a. If a member dies prior to his or her normal retirement  
567 date or early retirement date, whichever first occurs,  
568 retirement benefits shall be paid in accordance with subsection  
569 (17).

570           b. If the designated beneficiary (or beneficiaries) or  
571 joint pensioner dies before the member's retirement, the option  
572 elected shall be canceled automatically and a retirement income  
573 of the normal form and amount shall be payable to the member  
574 upon his or her retirement as if the election had not been made,  
575 unless a new election is made in accordance with the provisions  
576 of this paragraph or a new beneficiary is designated by the  
577 member prior to his or her retirement.

578           c. If a member continues in the employ of the Department  
579 after meeting the age and service requirements set forth in  
580 paragraph (8) (a) and dies prior to retirement and while an  
581 option provided for in this paragraph is in effect, monthly  
582 retirement income payments shall be paid, under the option, to a  
583 beneficiary (or beneficiaries) designated by the member in the  
584 amount or amounts computed as if the member had retired under  
585 the option on the date on which his or her death occurred.

586           3. No member may make any change in his or her retirement  
587 option after the date of cashing or depositing the first  
588 retirement check.

589           (e) Designation of beneficiary.—

590           1. Each member may, on a form provided for that purpose,  
591 signed and filed with the Board, designate a beneficiary (or  
592 beneficiaries) to receive the benefit, if any, which may be  
593 payable in the event of the member's death; and each designation  
594 may be revoked by such member by signing and filing with the

595 Board a new designation of beneficiary form. However, after the  
596 benefits have commenced, a retirant may change his or her  
597 designation of a joint annuitant or beneficiary only twice. If  
598 the retirant desires to change his or her joint annuitant or  
599 beneficiary, he or she shall file with the Board a notarized  
600 notice of such change either by registered letter or on a form  
601 as provided by the Board. Upon receipt of a completed change of  
602 joint annuitant form or such other notice, the Board shall  
603 adjust the member's monthly benefit by the application of  
604 actuarial tables and calculations developed to ensure that the  
605 benefit paid is the actuarial equivalent of the present value of  
606 the member's current benefit.

607 2. Absence or death of beneficiary.—If a deceased member  
608 failed to name a beneficiary in the manner prescribed in  
609 subparagraph 1., or if the beneficiary (or beneficiaries) named  
610 by a deceased member predeceases the member, death benefits, if  
611 any, which may be payable under this act on behalf of such  
612 deceased member may be paid, in the discretion of the Board, to:

613 a. The spouse or dependent child or children of the  
614 member;

615 b. The dependent living parent or parents of the member;

616 or

617 c. The estate of the member.

618 (13) Deferred Retirement Option Plan (DROP).—

619 (b) Amounts payable upon election to participate in DROP.—

620           1. Monthly retirement benefits that would have been  
621 payable had the member terminated employment with the Department  
622 and elected to receive monthly pension payments shall be paid  
623 into the DROP and credited to the retirant. Payments into the  
624 DROP shall be made monthly over the period the retirant  
625 participates in the DROP, up to a maximum of 60 months.

626           2. Effective October 1, 2002, DROP Participants have the  
627 option to select between two methods to credit investment  
628 earnings to their account. The method may be changed each year  
629 effective October 1; however, the method must be elected prior  
630 to October 1. The methods are:

631           a. Earnings using the rate of investment return earned (or  
632 lost) on Pension Fund assets as reported by the Fund's  
633 investment monitor. DROP assets are commingled with the Pension  
634 Fund assets for investment purposes.

635           b. A fixed rate of 8.25 percent for members who reached  
636 normal retirement age on or before October 1, 2012. Effective  
637 October 1, 2012, the fixed rate is 8 percent for members who  
638 retire or enter the DROP on or after October 1, 2012. In any  
639 fiscal year, if the amount paid in investment earnings under  
640 this paragraph creates a deficiency as compared to the gross  
641 earnings of the pension fund as a whole (using the rate  
642 determined by the Fund's investment monitor), then the rate will  
643 be reduced to 4 percent effective the next October 1 until the  
644 deficiency is satisfied. When the deficiency is satisfied, the

645 rate will return to 8 percent, effective the next October 1.  
646 Beginning October 1, 2012, the cumulative amounts paid in  
647 earnings for the fixed rate will be maintained in the actuarial  
648 valuation.

649 However, if a police officer does not terminate employment at  
650 the end of participation in the DROP, interest credits shall  
651 cease on the balance.

652 3. No payments shall be made from the DROP until the  
653 member terminates employment with the Department.

654 4. Upon termination of employment, participants in the  
655 DROP shall receive the balance of the DROP account in accordance  
656 with the following rules:

657 a. Members may elect to begin to receive payment upon  
658 termination of employment or defer payment of the DROP until the  
659 latest day as provided under sub-subparagraph c.

660 b. Payments shall be made in either:

661 (I) Lump sum.—The entire account balance shall be paid to  
662 the retirant upon approval of the Board of Trustees.

663 (II) Installments.—The account balance shall be paid out  
664 to the retirant in three equal payments paid over 3 years, the  
665 first payment to be made upon approval of the Board of Trustees.

666 (III) Annuity.—The account balance shall be paid out in  
667 monthly installments over the lifetime of the member or until  
668 the entire balance is exhausted. Monthly amount paid shall be

669 determined by the Fund's actuary in accordance with selections  
670 made by the member on a form provided by the Board of Trustees.

671 c. Any form of payment selected by a police officer must  
672 comply with the minimum distribution requirements of s.  
673 401(A)(9) of the Internal Revenue Code and is subject to the  
674 requirements of subsection (30) of this act; e.g., payments must  
675 commence by age 70- 1/2.

676 d. If a member dies and is eligible for benefits from the  
677 DROP account, the entire balance of the DROP account shall be  
678 converted to the name of the beneficiary designated in  
679 accordance with subsection (9)(e). The entire balance shall be  
680 paid out in a lump sum to the beneficiary, at the discretion of  
681 the beneficiary. If the designated beneficiary is the surviving  
682 spouse, the account may remain with the Fund until the latest  
683 period specified under subsection (30). These DROP accounts  
684 shall not be eligible for any further DROP distributions but are  
685 eligible for earnings. If a member fails to designate a  
686 beneficiary, or if the beneficiary predeceases the member, the  
687 entire balance shall be converted, in the following order, to  
688 the name or names of:

- 689 1. The member's surviving children on a pro rata basis;  
690 2. If no children are alive, the member's spouse;  
691 3. If no spouse is alive, the member's surviving parents  
692 on a pro rata basis; or  
693 4. If none are alive, the estate of the member.

694  
695 The accounts which are converted to the names of the  
696 beneficiaries shall have the right to name a successor  
697 beneficiary. Any designated beneficiary, other than the  
698 surviving spouse of the member, must take a distribution of the  
699 entire share account balance by the end of 5 years after the  
700 death of the member. Installment distributions which begin in  
701 the calendar year of the member's death shall be treated as  
702 complying with this 5-year distribution requirement, even though  
703 the installments are not completed within 5 years after the  
704 member's death. ~~The beneficiary of the DROP participant who dies~~  
705 ~~before payments from the DROP begin shall have the same right as~~  
706 ~~the participant in accordance with subsection (17).~~

707 e. Costs, fees, and expenses of administration shall be  
708 debited from the individual member accounts on a proportionate  
709 basis, taking the cost, fees, and expenses of administration of  
710 the Fund as a whole, multiplied by a fraction, the numerator of  
711 which is the total assets in all individual member accounts and  
712 the denominator of which is the total assets of the Fund as a  
713 whole.

714 (17) Death benefits.—

715 (c) Death after retirement.—Upon the death of a retirant,  
716 the following applicable pensions shall be paid, subject to the  
717 provisions of subsection (18). This paragraph is not applicable  
718 if a retiree chose an optional form of benefit at the time of

719 retirement or if the retiree was not entitled at the time of  
720 retirement under paragraph (9) (c).÷

721 1. The surviving spouse of the retirant shall receive a  
722 pension of two-thirds of the retirant's pension, provided that  
723 the retirant was receiving a pension under paragraph (9) (a).  
724 Upon the surviving spouse's death, the pension shall terminate.  
725 Effective for years of service earned after the effective date  
726 of this act, if the retiree leaves a surviving spouse that he or  
727 she was not married to on the date of retirement, then the  
728 survivor benefit may be actuarially reduced to take into account  
729 the age of the substituted survivor.

730 2. In the event the deceased retirant does not leave a  
731 surviving spouse eligible to receive a pension, or if the  
732 surviving spouse dies and he or she leaves an unmarried child or  
733 children under age 18, each child shall receive a pension of an  
734 equal share of two-thirds of the deceased retirant's pension.  
735 Upon any child's adoption, marriage, death, or attainment of age  
736 18, the child's pension shall terminate and it shall be  
737 apportioned to the pensions payable to the deceased retirant's  
738 remaining eligible children under age 18. In no case shall the  
739 pension payable to any such child exceed 20 percent of the  
740 deceased retirant's pension, or be less than \$15 per month.

741 3. In the event the deceased retirant does not leave a  
742 surviving spouse or children eligible to a pension provided for  
743 in subparagraphs 1. and 2. above, and he or she leaves a parent

744 or parents who the Board finds are dependent upon the retirant  
 745 for at least 50 percent of his, her, or their financial support,  
 746 each parent shall receive a pension of an equal share of two-  
 747 thirds of the deceased retirant's pension. Upon any parent's  
 748 remarriage or death, his or her pension shall terminate.

749 4. In the event the deceased member does not leave a  
 750 surviving spouse, children, or parents eligible to receive a  
 751 pension, then the death benefit, if any, shall be paid to the  
 752 estate of the deceased member. Any retirement income payments  
 753 due after the death of a vested member may, in the discretion of  
 754 the Board, be paid to the member's designated beneficiary or  
 755 beneficiaries.

756 In any of the above cases, the Board, in its discretion, may  
 757 direct that the actuarial value of the monthly benefit be paid  
 758 as a lump sum.

759 ~~(34) Actuarial assumptions. The following actuarial~~  
 760 ~~assumptions shall be used for all purposes in connection with~~  
 761 ~~this Fund, effective October 1, 1999:~~

762 ~~(a) The assumed investment rate of return shall be 8.25~~  
 763 ~~percent. Effective October 1, 2011, the Board of Trustees~~  
 764 ~~changed the assumed rate of return to 8 percent.~~

765 ~~(b) The period for amortizing current, future, and past~~  
 766 ~~actuarial gains or losses shall be 20 years, except that in~~  
 767 ~~order to smooth existing gains and losses which are expected to~~  
 768 ~~create volatile swings in the unfunded actuarial liability~~

769 ~~contribution rate, the trustees may combine amortization bases~~  
770 ~~to re-amortize the unfunded actuarial liability contribution~~  
771 ~~rate. This re-amortization will not impact member benefits as~~  
772 ~~provided by subsection (9).~~

773 ~~The consequences of the change in assumptions in paragraphs (a)~~  
774 ~~and (b) shall first take effect during the October 1, 1999-~~  
775 ~~September 30, 2000, fiscal year of the City of West Palm Beach.~~  
776 ~~To the extent that effective dates or legislative delays might~~  
777 ~~influence the direct application to the October 1, 1999-~~  
778 ~~September 30, 2000, fiscal year of the actuarial cost estimate~~  
779 ~~dated March 24, 2000, there shall be a minimum contribution~~  
780 ~~reserve established by the Pension Fund for the City of West~~  
781 ~~Palm Beach. The reserve shall be credited with any amounts~~  
782 ~~contributed to the Pension Fund by the City of West Palm Beach~~  
783 ~~during the October 1, 1999-September 30, 2000, fiscal year in~~  
784 ~~excess of \$1,462,965. This amount has been determined by~~  
785 ~~combining the contribution requirement from the September 30,~~  
786 ~~1998, actuarial valuation report dated May 7, 1999, with the~~  
787 ~~subsequent actuarial cost estimate dated March 24, 2000, both of~~  
788 ~~which were prepared by the Fund's actuary.~~

789 (34) ~~(35)~~ Other police officer or military service.-

790 (a) Prior police officer or military service.-Unless  
791 otherwise prohibited by law, the years, or fractional parts of  
792 years, that a member served as a police officer for any other  
793 municipal, county, state, or federal law enforcement office or

794 any time served in the military service of the Armed Forces of  
795 the United States shall be added to the years of credited  
796 service, provided that the member contributes to the fund the  
797 sum that would have been contributed, based on the member's  
798 salary and the employee contribution rate in effect at the time  
799 that the credited service is requested, had the member been a  
800 member of this system for the years, or fractional parts of  
801 years, for which the credit is requested, plus the amount  
802 actuarially determined, such that the crediting of service does  
803 not result in any cost to the fund, plus payment of costs for  
804 all professional services rendered to the Board in

805 connection with the purchase of years of credited service.

806 1. Payment by the member of the required amount may be made  
807 within 6 months after the request for credit and in one lump sum  
808 payment, or the member may buy back this time over a period  
809 equal to the length of time being purchased or 5 years,  
810 whichever is greater, at an interest rate which is equal to the  
811 Fund's actuarial assumption. A member may request to purchase  
812 some or all years of service.

813 2. The credit purchased under this subsection shall count  
814 for all purposes, except vesting.

815 3. In no event, however, may credited service be purchased  
816 pursuant to this section for prior service with any other  
817 municipal, county, state, or federal law enforcement office, if

818 such prior service forms or will form the basis of a retirement  
 819 benefit or pension from another retirement system or plan.

820 4. In the event that a member who is in the process of  
 821 purchasing service suffers a disability and is awarded a benefit  
 822 from the plan, the member shall not be required to complete the  
 823 buyback. However, contributions made prior to the date the  
 824 disability payment begins will be retained by the Fund.

825 5. If a member who has either completed the purchase of  
 826 service or is in the process of purchasing service terminates  
 827 before vesting, the member's contributions shall be refunded,  
 828 including the buyback contributions.

829 6. A request to purchase service may be made at any time  
 830 during the course of employment; however, the buyback is a one-  
 831 time opportunity.

832 7. A member who previously served as a police officer with  
 833 the City during a period of employment and for which accumulated  
 834 contributions were withdrawn from the Fund may recontribute such  
 835 withdrawn contributions plus interest from the date of  
 836 withdrawal to the date of repayment in accordance with  
 837 subsection (6).

838 8. A member may purchase up to 5 years of credited service  
 839 total for prior police or military service.

840 (b) Intervening military service.—In determining the  
 841 creditable service of any police officer, credit for up to 5  
 842 years of the time spent in the military service of the Armed

843 Forces of the United States shall be added to the years of  
 844 actual service without employee contribution, if:

845 1. The police officer is in the active employ of the  
 846 municipality prior to such service and leaves a position, other  
 847 than a temporary position, for the purpose of voluntary or  
 848 involuntary service in the Armed Forces of the United States.

849 2. The police officer is entitled to reemployment under  
 850 the provisions of the federal Uniformed Services Employment and  
 851 Reemployment Rights Act.

852 3. The police officer returns to his or her employment as  
 853 a police officer of the municipality within 1 year after the  
 854 date of his or her release from such active service, except  
 855 that, effective January 1, 2007, members who die or become  
 856 disabled while on active duty military service shall be entitled  
 857 to the rights of this section even though such member was not  
 858 reemployed by the City. A member who dies or becomes disabled  
 859 while on active duty military service shall be treated as though  
 860 he or she were reemployed the day before he or she became  
 861 disabled or died, were credited with the service he or she would  
 862 have been entitled to under this section, and then either died a  
 863 nonduty death while employed or became disabled from a nonduty  
 864 disability.

865 (35)~~(36)~~ Reemployment after retirement.—

866 (a) Reemployment by public or private employer.—Any  
 867 retiree who is retired under this Plan, except for disability

868 retirement as previously provided for, may be reemployed by any  
869 public or private employer, except the City, and may receive  
870 compensation from that employment without limiting or  
871 restricting in any way the retirement benefits payable under  
872 this Plan. Reemployment by the City on or after August 1, 2008,  
873 shall be subject to the limitations set forth in this section.

874 (b) Reemployment after normal retirement outside Police  
875 Department.—Any retiree who is retired under normal retirement  
876 pursuant to this Plan and who is reemployed by the City after  
877 that retirement shall, upon being reemployed, continue receipt  
878 of benefits, provided the retiree is not hired into the Police  
879 Department. Upon reemployment, the retiree is eligible to  
880 participate in the plan offered to new employees of that  
881 department, and the retiree shall be deemed a new employee  
882 subject to any vesting and contribution requirements of that  
883 plan. The benefit paid under this Plan shall not be changed in  
884 any way.

885 (c) Reemployment after normal retirement in Police  
886 Department.—Any retiree who is retired after normal retirement  
887 pursuant to this Plan shall not be reemployed by the Police  
888 Department as a police officer or in any position that  
889 supervises police officers. The pension of a retiree who is  
890 reemployed by the Police Department as a police officer or in  
891 any position that supervises police officers shall stop until  
892 the member terminates employment. However, a retiree who is

893 reemployed by the Police Department neither as a police officer  
894 nor in any position that supervises police officers is eligible  
895 to participate in the plan offered to new employees of that  
896 employee classification, and the retiree shall be deemed a new  
897 employee subject to any vesting and contribution requirements of  
898 that plan. The benefit paid under this Plan shall not be changed  
899 in any way.

900 (d) Reemployment of terminated vested persons.—Reemployed  
901 terminated vested persons shall not be subject to the provisions  
902 of this section until such time as they begin to actually  
903 receive benefits but shall be subject to paragraph (9)(c). Upon  
904 receipt of benefits, terminated vested persons shall be treated  
905 as normal retirees for purposes of applying the provisions of  
906 this section.

907 (e) DROP participants.—Members or retirees who were in the  
908 deferred retirement option plan shall have the options provided  
909 for in this section for reemployment after termination of  
910 employment as if the retiree were a retiree under normal  
911 retirement.

912 (36)~~(37)~~ Termination of the Plan.—Upon termination of the  
913 Plan by the City for any reason, or because of a transfer,  
914 merger, or consolidation of governmental units, services, or  
915 functions as provided in chapter 121, Florida Statutes, or upon  
916 written notice to the Board by the City that contributions under  
917 the Plan are being permanently discontinued, the rights of all

918 employees to benefits accrued to the date of such termination or  
919 discontinuance and the amounts credited to the employees'  
920 accounts are nonforfeitable. The Fund shall be distributed in  
921 accordance with the following procedures:

922 (a) The Board shall determine the date of distribution and  
923 the asset value required to fund all the nonforfeitable benefits  
924 after taking into account the expenses of such distribution. The  
925 Board shall inform the City if additional assets are required,  
926 in which event the City shall continue to financially support  
927 the Plan until all nonforfeitable benefits have been funded.

928 (b) The Board shall determine the method of distribution  
929 of the asset value and whether distribution shall be by payment  
930 in cash, by the maintenance of another or substituted trust  
931 fund, by the purchase of insured annuities, or otherwise for  
932 each police officer entitled to benefits under the Plan, as  
933 specified in paragraph (c).

934 (c) The Board shall distribute the asset value as of the  
935 date of termination in the manner set forth in this subsection  
936 on the basis that the amount required to provide any given  
937 retirement income is the actuarially computed single-sum value  
938 of such retirement income, except that if the method of  
939 distribution determined under paragraph (b) involves the  
940 purchase of an insured annuity, the amount required to provide  
941 the given retirement income is the single premium payable for  
942 such annuity. The actuarial single-sum value may not be less

943 | than the employee's accumulated contributions to the Plan, with  
944 | interest if provided by the Plan, less the value of any Plan  
945 | benefits previously paid to the employee.

946 |         (d) If there is asset value remaining after the full  
947 | distribution specified in paragraph (c), and after payment of  
948 | any expenses incurred with such distribution, such excess shall  
949 | be returned to the City, less the return to the state of the  
950 | state's contributions, provided that if the excess is less than  
951 | the total contributions made by the City and the state to date  
952 | of termination of the Plan, such excess shall be divided  
953 | proportionately to the total contributions made by the City and  
954 | the state.

955 |         (e) The Board shall distribute, in accordance with the  
956 | manner of distribution determined under paragraph (b), the  
957 | amounts determined under paragraph (c).

958 |         Section 2. This act shall take effect upon becoming a law.
