## HB 1143

2017

26	Reef Ecosystem Protection Area established in this section.
27	(d) "Reef program" means the Department of Environmental
28	Protection's Coral Reef Conservation Program.
29	(2) There is established the Southeast Florida Coral Reef
30	Ecosystem Protection Area. The protection area shall consist of
31	the sovereignty submerged lands and state waters offshore of
32	Broward, Martin, Miami-Dade, and Palm Beach Counties from St.
33	Lucie Inlet to the northern boundary of the Biscayne National
34	Park.
35	(3) The reef program, in partnership with the commission,
36	shall, by December 31, 2018, develop a comprehensive management
37	plan for the protection area.
38	(4) The reef program, in developing the comprehensive
39	management plan along with the commission, shall include and
40	build on previous stakeholder engagement in and public comment
41	on the reef program which were solicited through the Southeast
42	Florida Coral Reef Initiative, the Southeast Florida Coastal
43	Ocean Taskforce, the reef program Technical Advisory Committee,
44	the Our Florida Reefs Community Working Groups, and other
45	efforts. The reef program, in coordination with the commission,
46	shall solicit public comment on its proposed comprehensive
47	management plan and hold public hearings throughout Southeast
48	Florida before submitting its proposed comprehensive management
49	plan to the department.
50	(5)(a) The portion of the comprehensive management plan
