Senate Joint Resolution

A joint resolution proposing an amendment to Section 8 of Article III of the State Constitution to require the transfer of the amount of a vetoed specific appropriation originating from the General Revenue Fund to the Budget Stabilization Fund, to specify that the amount transferred may not be used in calculating the Budget Stabilization Fund's principal balance limitation, and to provide for the transfer of funds for vetoed specific appropriations that are reinstated.

Be It Resolved by the Legislature of the State of Florida:

That the following amendment to Section 8 of Article III of the State Constitution is agreed to and shall be submitted to the electors of this state for approval or rejection at the next general election or at an earlier special election specifically authorized by law for that purpose:

ARTICLE III

LEGISLATURE

SECTION 8. Executive approval and veto.—

(a) Every bill passed by the legislature shall be presented to the governor for approval and shall become a law if the governor approves and signs it, or fails to veto it within seven consecutive days after presentation. If during that period or on the seventh day the legislature adjourns sine die or takes a recess of more than thirty days, the governor shall have fifteen consecutive days from the date of presentation to act on the bill. In all cases except general appropriation bills, the veto shall extend to the entire bill. The governor may veto any specific appropriation in a general appropriation bill, but may

33 not veto any qualification or restriction without also vetoing
34 the appropriation to which it relates.

35 (b) When a bill or any specific appropriation of a general
36 appropriation bill has been vetoed, the governor shall transmit
37 signed objections thereto to the house in which the bill
38 originated if in session. If that house is not in session, the
39 governor shall file them with the custodian of state records,
40 who shall lay them before that house at its next regular or
41 special session, whichever occurs first, and they shall be
42 entered on its journal. If the originating house votes to
43 reenact ~~re-enact~~ a vetoed measure, whether in a regular or
44 special session, and the other house does not consider or fails
45 to reenact ~~re-enact~~ the vetoed measure, no further consideration
46 by either house at any subsequent session may be taken. If a
47 vetoed measure is presented at a special session and the
48 originating house does not consider it, the measure will be
49 available for consideration at any intervening special session
50 and until the end of the next regular session.

51 (c) If each house ~~shall~~, by a two-thirds vote, reenacts ~~re-~~
52 ~~enact~~ the bill or reinstates ~~reinstate~~ the vetoed specific
53 appropriation of a general appropriation bill, the vote of each
54 member voting shall be entered on the respective journals, and
55 the bill shall become law or the specific appropriation
56 reinstated, the veto notwithstanding.

57 (d) A vetoed specific appropriation originating from the
58 general revenue fund, immediately upon being vetoed by the
59 governor, shall be transferred to the budget stabilization fund,
60 and the amount transferred may not be used in calculating the
61 principal balance limitation specified for the budget

63 vetoed specific appropriation is reinstated by the legislature,
