 9 identify best practices for developing data systems which will

 11 provide health care providers with real-time access to their  
 12 patients' health records. The evaluation shall identify methods  
 13 to increase interoperability across delivery systems regardless  
 14 of geographic locations and include a review of eligibility for  
 15 public programs or private insurance to ensure that health care  
 16 services, including Medicaid services, are clinically

Amendment No.

17 appropriate. The evaluation shall address cost avoidance  
18 through the elimination of duplicative services or  
19 overutilization of services. The agency shall submit a report of  
20 the vendor's findings and recommendations to the President of  
21 the Senate and the Speaker of the House of Representatives by  
22 December 31, 2017.

23 Section 2. Subsection (27) of section 409.901, Florida  
24 Statutes, is amended to read:

25 409.901 Definitions; ss. 409.901-409.920.—As used in ss.  
26 409.901-409.920, except as otherwise specifically provided, the  
27 term:

28 (27) "Third party" means an individual, entity, or  
29 program, excluding Medicaid, that is, may be, could be, should  
30 be, or has been liable for all or part of the cost of medical  
31 services related to any medical assistance covered by Medicaid.  
32 A third party includes a third-party administrator; ~~or a~~  
33 pharmacy benefits manager; health insurer; self-insured plan;  
34 group health plan, as defined in s. 607(1) of the Employee  
35 Retirement Income Security Act of 1974; service benefit plan;  
36 managed care organization; liability insurance, including self-  
37 insurance; no-fault insurance; workers' compensation laws or  
38 plans; or other parties that are, by statute, contract, or  
39 agreement, legally responsible for payment of a claim for a  
40 health care item or service.

41 Section 3. Subsection (4), paragraph (c) of subsection

Amendment No.

42 (6), paragraph (h) of subsection (11), subsection (16),  
43 paragraph (b) of subsection (17), and subsection (20) of section  
44 409.910, Florida Statutes, are amended to read:

45 409.910 Responsibility for payments on behalf of Medicaid-  
46 eligible persons when other parties are liable.—

47 (4) After the agency has provided medical assistance under  
48 the Medicaid program, it shall seek ~~recovery of~~ reimbursement  
49 from third-party benefits to the limit of legal liability and  
50 for the full amount of third-party benefits, but not in excess  
51 of the amount of medical assistance paid by Medicaid, as to:

52 (a) Claims for which the agency has a waiver pursuant to  
53 federal law; or

54 (b) Situations in which the agency learns of the existence  
55 of a liable third party or in which third-party benefits are  
56 discovered or become available after medical assistance has been  
57 provided by Medicaid.

58 (6) When the agency provides, pays for, or becomes liable  
59 for medical care under the Medicaid program, it has the  
60 following rights, as to which the agency may assert independent  
61 principles of law, which shall nevertheless be construed  
62 together to provide the greatest recovery from third-party  
63 benefits:

64 (c) The agency is entitled to, and has, an automatic lien  
65 for the full amount of medical assistance provided by Medicaid  
66 to or on behalf of the recipient for medical care furnished as a

Amendment No.

67 result of any covered injury or illness for which a third party  
68 is or may be liable, upon the collateral, as defined in s.  
69 409.901.

70 1. The lien attaches automatically when a recipient first  
71 receives treatment for which the agency may be obligated to  
72 provide medical assistance under the Medicaid program. The lien  
73 is perfected automatically at the time of attachment.

74 2. The agency is authorized to file a verified claim of  
75 lien. The claim of lien shall be signed by an authorized  
76 employee of the agency, and shall be verified as to the  
77 employee's knowledge and belief. The claim of lien may be filed  
78 and recorded with the clerk of the circuit court in the  
79 recipient's last known county of residence or in any county  
80 deemed appropriate by the agency. The claim of lien, to the  
81 extent known by the agency, shall contain:

82 a. The name and last known address of the person to whom  
83 medical care was furnished.

84 b. The date of injury.

85 c. The period for which medical assistance was provided.

86 d. The amount of medical assistance provided or paid, or  
87 for which Medicaid is otherwise liable.

88 e. The names and addresses of all persons claimed by the  
89 recipient to be liable for the covered injuries or illness.

90 3. The filing of the claim of lien pursuant to this  
91 section shall be notice thereof to all persons.

Amendment No.

92           4. If the claim of lien is filed within 3 years ~~1-year~~  
93 after the later of the date when the last item of medical care  
94 relative to a specific covered injury or illness was paid, or  
95 the date of discovery by the agency of the liability of any  
96 third party, or the date of discovery of a cause of action  
97 against a third party brought by a recipient or his or her legal  
98 representative, record notice shall relate back to the time of  
99 attachment of the lien.

100           5. If the claim of lien is filed after 3 years ~~1-year~~  
101 after the later of the events specified in subparagraph 4.,  
102 notice shall be effective as of the date of filing.

103           6. Only one claim of lien need be filed to provide notice  
104 as set forth in this paragraph and shall provide sufficient  
105 notice as to any additional or after-paid amount of medical  
106 assistance provided by Medicaid for any specific covered injury  
107 or illness. The agency may, in its discretion, file additional,  
108 amended, or substitute claims of lien at any time after the  
109 initial filing, until the agency has been repaid the full amount  
110 of medical assistance provided by Medicaid or otherwise has  
111 released the liable parties and recipient.

112           7. No release or satisfaction of any cause of action,  
113 suit, claim, counterclaim, demand, judgment, settlement, or  
114 settlement agreement shall be valid or effectual as against a  
115 lien created under this paragraph, unless the agency joins in  
116 the release or satisfaction or executes a release of the lien.

Amendment No.

117 An acceptance of a release or satisfaction of any cause of  
118 action, suit, claim, counterclaim, demand, or judgment and any  
119 settlement of any of the foregoing in the absence of a release  
120 or satisfaction of a lien created under this paragraph shall  
121 prima facie constitute an impairment of the lien, and the agency  
122 is entitled to recover damages on account of such impairment. In  
123 an action on account of impairment of a lien, the agency may  
124 recover from the person accepting the release or satisfaction or  
125 making the settlement the full amount of medical assistance  
126 provided by Medicaid. Nothing in this section shall be construed  
127 as creating a lien or other obligation on the part of an insurer  
128 which in good faith has paid a claim pursuant to its contract  
129 without knowledge or actual notice that the agency has provided  
130 medical assistance for the recipient related to a particular  
131 covered injury or illness. However, notice or knowledge that an  
132 insured is, or has been a Medicaid recipient within 1 year from  
133 the date of service for which a claim is being paid creates a  
134 duty to inquire on the part of the insurer as to any injury or  
135 illness for which the insurer intends or is otherwise required  
136 to pay benefits.

137 8. The lack of a properly filed claim of lien shall not  
138 affect the agency's assignment or subrogation rights provided in  
139 this subsection, nor shall it affect the existence of the lien,  
140 but only the effective date of notice as provided in  
141 subparagraph 5.

Amendment No.

142           9. The lien created by this paragraph is a first lien and  
143 superior to the liens and charges of any provider, and shall  
144 exist for a period of 7 years, if recorded, after the date of  
145 recording; and shall exist for a period of 7 years after the  
146 date of attachment, if not recorded. If recorded, the lien may  
147 be extended for one additional period of 7 years by rerecording  
148 the claim of lien within the 90-day period preceding the  
149 expiration of the lien.

150           10. The clerk of the circuit court for each county in the  
151 state shall endorse on a claim of lien filed under this  
152 paragraph the date and hour of filing and shall record the claim  
153 of lien in the official records of the county as for other  
154 records received for filing. The clerk shall receive as his or  
155 her fee for filing and recording any claim of lien or release of  
156 lien under this paragraph the total sum of \$2. Any fee required  
157 to be paid by the agency shall not be required to be paid in  
158 advance of filing and recording, but may be billed to the agency  
159 after filing and recording of the claim of lien or release of  
160 lien.

161           11. After satisfaction of any lien recorded under this  
162 paragraph, the agency shall, within 60 days after satisfaction,  
163 either file with the appropriate clerk of the circuit court or  
164 mail to any appropriate party, or counsel representing such  
165 party, if represented, a satisfaction of lien in a form  
166 acceptable for filing in Florida.

Amendment No.

167 (11) The agency may, as a matter of right, in order to  
168 enforce its rights under this section, institute, intervene in,  
169 or join any legal or administrative proceeding in its own name  
170 in one or more of the following capacities: individually, as  
171 subrogee of the recipient, as assignee of the recipient, or as  
172 lienholder of the collateral.

173 (h) Except as otherwise provided in this section, actions  
174 to enforce the rights of the agency under this section shall be  
175 commenced within 6 ~~5~~ years after the date a cause of action  
176 accrues, with the period running from the later of the date of  
177 discovery by the agency of a case filed by a recipient or his or  
178 her legal representative, or of discovery of any judgment,  
179 award, or settlement contemplated in this section, or of  
180 discovery of facts giving rise to a cause of action under this  
181 section. Nothing in this paragraph affects or prevents a  
182 proceeding to enforce a lien during the existence of the lien as  
183 set forth in subparagraph (6)(c)9.

184 (16) Any transfer or encumbrance of any right, title, or  
185 interest to which the agency has a right pursuant to this  
186 section, with the intent, likelihood, or practical effect of  
187 defeating, hindering, or reducing reimbursement to ~~recovery by~~  
188 the agency for ~~reimbursement of~~ medical assistance provided by  
189 Medicaid, shall be deemed to be a fraudulent conveyance, and  
190 such transfer or encumbrance shall be void and of no effect  
191 against the claim of the agency, unless the transfer was for

Amendment No.

192 adequate consideration and the proceeds of the transfer are  
193 reimbursed in full to the agency, but not in excess of the  
194 amount of medical assistance provided by Medicaid.

195 (17)

196 (b) If federal law limits the agency to reimbursement from  
197 the recovered medical expense damages, a recipient, or his or  
198 her legal representative, may contest the amount designated as  
199 recovered medical expense damages payable to the agency pursuant  
200 to the formula specified in paragraph (11)(f) by filing a  
201 petition under chapter 120 within 21 days after the date of  
202 payment of funds to the agency or after the date of placing the  
203 full amount of the third-party benefits in the trust account for  
204 the benefit of the agency pursuant to paragraph (a). The  
205 petition shall be filed with the Division of Administrative  
206 Hearings. For purposes of chapter 120, the payment of funds to  
207 the agency or the placement of the full amount of the third-  
208 party benefits in the trust account for the benefit of the  
209 agency constitutes final agency action and notice thereof. Final  
210 order authority for the proceedings specified in this subsection  
211 rests with the Division of Administrative Hearings. This  
212 procedure is the exclusive method for challenging the amount of  
213 third-party benefits payable to the agency. In order to  
214 successfully challenge the amount designated as recovered  
215 medical expenses ~~payable to the agency,~~ the recipient must  
216 prove, by clear and convincing evidence, that the ~~a lesser~~
