 14 Be It Enacted by the Legislature of the State of Florida:

15  
 16           Section 1. Paragraph (a) of subsection (4) and subsection  
 17           (6) of section 381.026, Florida Statutes, are amended to read:

18           381.026 Florida Patient's Bill of Rights and  
 19           Responsibilities.—

20           (4) RIGHTS OF PATIENTS.—Each health care facility or  
 21           provider shall observe the following standards:

22           (a) *Individual dignity*.—

23           1. The individual dignity of a patient must be respected  
 24           at all times and upon all occasions.

25           2. Every patient who is provided health care services

26 retains certain rights to privacy, which must be respected  
27 without regard to the patient's economic status or source of  
28 payment for his or her care. The patient's rights to privacy  
29 must be respected to the extent consistent with providing  
30 adequate medical care to the patient and with the efficient  
31 administration of the health care facility or provider's office.  
32 However, this subparagraph does not preclude necessary and  
33 discreet discussion of a patient's case or examination by  
34 appropriate medical personnel.

35 3. A patient has the right to a prompt and reasonable  
36 response to a question or request. A health care facility shall  
37 respond in a reasonable manner to the request of a patient's  
38 health care provider for medical services to the patient. The  
39 health care facility shall also respond in a reasonable manner  
40 to the patient's request for other services customarily rendered  
41 by the health care facility to the extent such services do not  
42 require the approval of the patient's health care provider or  
43 are not inconsistent with the patient's treatment.

44 4. A patient in a health care facility has the right to  
45 retain and use personal clothing or possessions as space  
46 permits, unless for him or her to do so would infringe upon the  
47 right of another patient or is medically or programmatically  
48 contraindicated for documented medical, safety, or programmatic  
49 reasons.

50 5. A patient receiving care in a health care facility or

51 in a provider's office has the right to bring any person of his  
52 or her choosing to the patient-accessible areas of the health  
53 care facility or provider's office to accompany the patient  
54 while the patient is receiving inpatient or outpatient treatment  
55 or is consulting with his or her health care provider. Any  
56 person or entity that may have a fiduciary interest affected by  
57 the patient's course of treatment may not attend a consultation  
58 or attempt to change a prescribed course of treatment without  
59 the health care provider's consent.

60 (6) SUMMARY OF RIGHTS AND RESPONSIBILITIES.—Any health  
61 care provider who treats a patient in an office or any health  
62 care facility licensed under chapter 395 that provides emergency  
63 services and care or outpatient services and care to a patient,  
64 or admits and treats a patient, shall adopt and make available  
65 to the patient, in writing, a statement of the rights and  
66 responsibilities of patients, including the following:
