DELETE:

From the funds in Specific Appropriation 3127, \$7,952,951 in nonrecurring general revenue is provided to the department for the Library Technology Grant Program. The Department of State shall create a matching grant program for public libraries to apply for funding based on a 1:1 matching ratio. Eligible uses of grant funds include: expanding services for learning and access to information and educational resources for individuals of all ages; developing library services that provide all users access to information through local, state, regional, national, and international electronic networks; creating centers for simulations and audio/video recording; providing centers for homeschooling, small business conference and training rooms, and creating partnerships with CareerSource Florida, Inc., the Regional

Workforce Boards, the Small Business Development Center, and other entities to provide small business guidance and assistance with new and emerging business issues. The department may grant funds to entities meeting these eligibility requirements in an amount up to \$500,000 per entity annually.

From the funds in Specific Appropriation 3127, \$100,000 of nonrecurring funds is provided for the Parkland Library Master Plan Expansion in Broward County.
