Following Specific Appropriation 447, DELETE:

From the funds in Specific Appropriation 447, \$500,000 in nonrecurring funds from the General Revenue Fund is provided to the Division of Community Health Promotion Bureau of Chronic Disease for grants to auditory-oral early intervention programs serving deaf children in multiple counties including rural and underserved areas. These early intervention programs must solely offer auditory-oral educational habilitation and services, as defined in section 1002.391, Florida Statutes, and have a supervisor and faculty members who are credentialed as Certified Listening and Spoken Language Specialists.

AND INSERT:

From the funds in Specific Appropriation 447, \$500,000 in nonrecurring funds from the General Revenue Fund is provided to the Sertoma Speech and Hearing Foundation of Florida, Inc., a Florida non-profit corporation to support auditory oral early intervention programs serving children who are deaf ages birth through two, in multiple counties

including rural and underserved areas. These early intervention programs must solely offer auditory oral educational habilitation services, as defined and described in section 1002.391, Florida Statutes, and include faculty members who are credentialed as Certified Listening and Spoken Language Specialists or hearing support services in pursuit of spoken language outcomes for infants and toddlers who are deaf.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
