Senator Braynon moved the following:

**Senate Amendment (with title amendment)**

Between lines 1245 and 1246

insert:

Section 23. No later than August 1, 2017, the Agency for Health Care Administration shall seek federal approval through a Medicaid waiver or a state plan amendment, as necessary, to extend Medicaid eligibility to the adult group described in 42 U.S.C. s. 1396a(10) (A) (i) (VIII), and to enroll these individuals in the statewide Medicaid managed medical assistance program, pursuant to part IV of chapter 409, Florida Statutes, with

299072

12 enrollment to begin on January 1, 2018. Individuals who become  
13 eligible for Medicaid under this section have the same rights  
14 and responsibilities as other Medicaid enrollees in the  
15 statewide Medicaid managed medical assistance program.

18 And the title is amended as follows:

19 Delete line 165

20 and insert:

21 purpose; requiring the agency to seek federal approval  
22 through a Medicaid waiver or a state plan amendment,  
23 as necessary, to extend Medicaid eligibility to a  
24 certain group by a certain date; providing an  
25 enrollment date; clarifying that specific individuals  
26 who become eligible for Medicaid have the same rights  
27 and responsibilities as other enrollees in the  
28 statewide program; providing effective dates.
