Appropriations Subcommittee on Health and Human Services
(Articles) recommended the following:

Senate Substitute for Amendment (700186) (with title amendment)

Between lines 702 and 703
insert:

(j) Meet the minority business enterprise procurement goals set forth in s. 287.042, in the procurement of commodities, contractual services, and other services and in the selection of vendors in the administration of activities under this section. The procurement goals must also be applied to veteran business

271814

11 enterprises. The goal for participation of minority business
12 enterprises, as that term is defined in s. 288.703(3), and of
13 veteran business enterprises, as defined in s. 295.187(3), in
14 MMTC operations and subcontracting is 10 percent; however, no
15 more than 35 percent of such business enterprises may be owned
16 by any one of the minority persons specified in s. 288.703 or by
17 a veteran business enterprise, respectively.

18 1. This paragraph does not preclude a minority person or
19 veteran business enterprise from competing for any MMTC
20 registration or any other procurement of goods or services
21 awarded by the department.

22 2. MMTCs have 12 months after the date of their
23 registration to demonstrate to the department compliance with
24 the minority business enterprise participation goal established
25 in this paragraph.

26 (k) Implement training programs and other educational
27 programs to enable minority persons and veteran business
28 enterprises to effectively compete for MMTC registration and
29 contracts.

30
31 ===== T I T L E A M E N D M E N T =====

32 And the title is amended as follows:

33 Between lines 52 and 53

34 insert:

35 requiring the department to meet specified minority
36 business enterprise and veteran business enterprise
37 participation goals; providing construction; requiring
38 medical marijuana treatment centers to demonstrate to
39 the department their compliance with such goals;

271814

40 requiring the department to implement training
41 programs and other educational programs for minority
42 persons and veteran business enterprises to enable
43 them to effectively compete for medical marijuana
44 treatment center registration and contracts;
