The Committee on Health Policy (Powell) recommended the following:

Senate Amendment (with title amendment)

Between lines 573 and 574
insert:

(h) Meet the minority business enterprise procurement goals set forth in s. 287.042 in the procurement of commodities, contractual services, other services, and vendors in the administration of activities under this section. The goal for minority business enterprise participation in MMTC operations and subcontracting, as defined in s. 288.703(3) is 10 percent;

737584

11 however, no more than 35 percent of such minority business
12 enterprises may be owned by any one of the minority persons
13 specified in s. 288.703(4)(a)-(e), respectively.

14 1. This paragraph does not preclude or prohibit a minority
15 person from competing for any MMTC registration or any other
16 procurement of goods or services awarded by the department.

17 2. MMTCs have 12 months from the date of their registration
18 to demonstrate to the department compliance with the minority
19 business participation goal established in this paragraph.

20 (i) Implement training programs and other educational
21 programs to enable minority persons to compete for MMTC
22 registration and contracts on an equal basis.

25 And the title is amended as follows:

26 Between lines 39 and 40

27 insert:

28 requiring the department to meet a specified minority
29 business enterprise procurement goal; requiring
30 medical marijuana treatment centers to demonstrate to
31 the department its compliance with the goal; requiring
32 the department to implement training programs and
33 other educational programs for minority business
34 enterprises to enable them to compete for medical
35 marijuana treatment center registration and contracts;
