 19 Section 1. Section 395.6061, Florida Statutes, is amended
 20 to read:

21 395.6061 Rural hospital capital improvement.—

 24 revenues or to access other public or private funding sources
 25 that are needed to maintain critical infrastructure, including,

26 | but not limited to, the replacement of high-cost medical care
27 | equipment or improvements to facility infrastructure. Rural
28 | hospitals that do not have reasonable access to alternative
29 | sources of revenue to pay for critical infrastructure needs are
30 | at risk, and patient access, care, and quality are threatened.
31 | Therefore, it is the intent of the Legislature to establish the
32 | Florida Rural Hospital Capital Improvement Competitive Grant
33 | Program for eligible rural hospitals to ensure their
34 | sustainability.

35 | (2) FLORIDA RURAL HOSPITAL CAPITAL IMPROVEMENT COMPETITIVE

43 | and on criteria established by the department.

44 | (3) GRANT ELIGIBILITY.—In order to be eligible for a grant
45 | award, a hospital must be a rural hospital, as defined in s.

47 | (a) Grant funds are necessary to maintain or improve the
48 | quality of its health care services;

49 | (b) There is a return on investment to the taxpayers of
50 | this state; and

51 (c) A satisfactory recordkeeping system will be in place
52 to account for the expenditures of grant funds within the rural
53 county.

54 (4) AWARD OF GRANTS.—The department shall establish by
55 rule a grant application process and criteria for the evaluation
56 of applications. The department shall score and rank grant
57 applications based on criteria that must include, at a minimum,
58 the following:

59 (a) The social and economic benefit to the surrounding
60 community.

61 (b) The promotion of economic development in the
62 surrounding community.

63 (c) The expansion of available services to the underserved
64 populations in the community.

65 (d) The availability of private or public matching funds,
66 or in-kind contributions, for the requested grant funds.

67 (5) ALLOWABLE USES OF FUNDS.—Grant awards may be used only
68 for hospital medical equipment purchases or facility
69 infrastructure improvements in the rural area serviced by the
70 grantee.

71 (6) REPORT.—The department shall provide an annual report
72 to the Governor, the President of the Senate, and the Speaker of
73 the House of Representatives which includes the list of grantees
74 and, for each grantee, the amount awarded, a brief description
