Senator Rouson moved the following:

Senate Amendment (with title amendment)

Between lines 217 and 218

insert:

Section 5. The Department of Environmental Protection shall perform an environmental assessment of property consisting of "North Campus," "South Campus," and the Boot Hill Cemetery. Such assessment must include air quality, soil, water, and building materials used in structures on the property. If it is determined that there are air quality issues, soil damage, water contamination or building materials that threaten the

12 environment, they shall be removed and the property rendered
13 safe for human and animal habitation. The cost of this removal
14 shall be the responsibility of the department and a cost
15 estimate for cleanup, if required, shall be submitted to the
16 Governor, the President of the Senate, and the Speaker of the
17 House by November 1, 2017. A conveyance of the property may not
18 occur until the department certifies that the provisions of this
19 section have been satisfied.
