22 Be It Enacted by the Legislature of the State of Florida:

23
24 Section 1. Section 220.197, Florida Statutes, is created
25 to read:

26 220.197 Veterans employment tax credit.—

27 (1) This section may be cited as the "Florida Veterans
28 Employment Act."

29 (2) There shall be allowed a one-time credit of \$5,000
30 against the tax imposed by this chapter to a business for each
31 veteran, as defined in s. 1.01, hired by the business. The
32 business qualifies for the tax credit after the business has
33 paid \$5,000 in gross salary to the veteran. Veterans for whom
34 the credit is claimed must first begin employment in this state
35 in the operations of the qualifying business on or after January
36 1, 2018, and perform duties in connection with the operations of
37 the business for an average of at least 36 hours per week. A
38 veteran who was previously employed by the qualifying business
39 or any other member of the same controlled group of
40 corporations, as defined in 26 U.S.C. s. 1563(a), of which the
41 qualifying business is a member may not be claimed for the tax
42 credit.

43 (3) A qualifying business is eligible for an additional
44 one-time credit against the tax imposed by this chapter in the
45 amount of \$5,000 for each veteran it hires who has an official
46 letter from the United States Department of Veterans Affairs
47 stating that he or she has a service-connected disability. The
48 business qualifies for such credit after the business has paid
49 an additional \$5,000 in gross salary to such veteran.

50 (4) To claim a tax credit under this section, a qualifying

51 business must submit an application and receive approval from
52 the department. An application for credit under subsection (3)
53 must include a copy of the veteran's official letter from the
54 United States Department of Veterans Affairs certifying that the
55 veteran has a service-connected disability. Qualified applicants
56 shall be approved on a first-come, first-served basis, based on
57 the date the completed application is received by the
58 department. The department may not accept an incomplete
59 application as a placeholder for the completed application and
60 the submission of such incomplete application does not secure a
61 place in the first-come, first-served approval process.

62 (5) The department may not approve more than \$10 million
63 in tax credits per calendar year pursuant to this section.

64 (6) The department may adopt rules governing the manner
65 and form of application for the tax credits. The department may
66 establish guidelines for making an affirmative showing of
67 qualification for the tax credits under this section.

68 (7) This section expires December 31, 2023. However, a
69 qualifying business may carry forward any unused credit for up
70 to 2 taxable years after the year the credit is earned.

71 (8) This section applies to taxable years beginning on or
72 after January 1, 2018.

73 Section 2. Subsection (8) of section 220.02, Florida
74 Statutes, is amended to read:
