Senator Montford moved the following:

Senate Amendment (with directory amendment)

Delete line 807

and insert:

d. Notwithstanding the provisions of this subparagraph, a medical marijuana treatment center that holds an active, unrestrictive license to cultivate, process, transport, and dispense low-THC cannabis, medical cannabis, and cannabis delivery devices under former s.381.986, Florida Statutes 2016, before July 1, 2017, may establish dispensing facilities in excess of the maximum number allowed by this subparagraph,

646042

12 provided the additional dispensing facilities only dispense low-
13 THC cannabis, marijuana, and marijuana delivery devices to
14 patients who are certified to suffer from a terminal condition
15 or a physical medical condition that chronically produces
16 symptoms or seizures or severe or persistent muscle spasms. For
17 a dispensing facility that meets the provisions in this sub-
18 subparagraph to not be included in the maximum number of
19 dispensing facilities allowed under this subparagraph, the
20 medical marijuana treatment centers shall notify the department
21 that the facility will only dispense low-THC cannabis,
22 marijuana, and marijuana delivery devices to patients who are
23 certified to suffer from a terminal condition or a physical
24 medical condition that chronically produces symptoms or seizures
25 or severe or persistent muscle spasms. The department shall
26 include in the compassionate use registry selections for the
27 physician to indicate whether low-THC cannabis, marijuana, or
28 marijuana delivery devices are being ordered or recommended for
29 a patient for one, one or more, or all of the following:

- 30 (I) A physical medical condition that chronically produces
31 symptoms or seizures or severe or persistent muscle spasms;
- 32 (II) A terminal condition; or
- 33 (III) A condition as provided for in s.29, Article X of the
34 State Constitution.

35
36 The department shall require physicians to certify on the
37 compassionate use registry each and every medical condition
38 selection applicable to the patient.

39 e. This subparagraph shall expire on April 1, 2020.
