SUMMARY ANALYSIS

Counties, municipalities, water management districts, and school districts are required to post their annual budget to their websites, but current law does not set a required amount of time for which the information must be available.

Local government entities are required to file annual financial reports within nine months of the conclusion of the fiscal year. Counties, school districts, municipalities with revenues or expenditures of more than \$250,000 per year, and special districts with revenues or expenditures of more than \$100,000 per year are required to conduct an annual audit. Municipalities with revenues or expenditures between \$100,000 and \$250,000 and special districts with revenues or expenditures between \$50,000 and \$100,000 are required to conduct audits on a triennial basis.

The Legislative Auditing Committee may conduct a hearing upon notification by the Auditor General, the Department of Financial Services, or the Division of Bond Finance of the State Board of Administration that a local government entity has failed to file required financial and audit reports.

The bill requires counties, municipalities, special districts, water management districts, and school districts to:

- Post annual budgets to the website for 5 years;
- Provide an electronic copy of their budgets to EDR on specified forms;
- Provide a copy of their budget and a certification of timely filing to the clerk of the court;
- File annual financial reports and audit reports within six months of the end of the fiscal year.

The bill provides that the recipient of these reports may extend reporting deadlines by up to 90 days in the event the Governor declares a state of emergency. The bill provides that if a local government entity or school district fails to file required reports with the clerk of the court, the clerk shall notify the appropriate fiscal officer to withhold salary payments from the head of the local government entity or the superintendent of the school district until the reports are filed.

The bill requires all municipalities and special districts to conduct an annual audit.

The bill requires the Legislative Auditing Committee to conduct a hearing upon receiving notification from the Auditor General, the Department of Financial Services, the Division of Bond Finance of the State Board of Administration, the Governor, or the Commissioner of Education that a local government entity has failed to file required reports.

The bill provides an effective date of July 1, 2018.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Present Situation

Legislative Auditing Committee

The Legislative Auditing Committee may conduct an investigation into any matter within the scope of audit, review, or examination by the Auditor General or the Office of Program Policy Analysis and Government Accountability.¹ Following notification by the Auditor General, the Department of Financial Services (DFS), or the Division of Bond Finance of the State Board of Administration of the failure of a local governmental entity, district school board, charter school, or charter technical career center to comply with applicable auditing and financial requirements, the Legislative Auditing Committee may schedule a hearing to determine whether the entity should be subject to further state action.²

Local Government Budgets

Counties, municipalities, special districts, water management districts, and school districts are required to post their tentative and final budgets on their websites.³ Local government entities must post their tentative budget to their website at least two days before the budget meeting, the final budget within thirty days of adoption, and amendments to the budget within five days of adoption.⁴ Special districts are required to maintain the tentative budget on their website for at least 45 days and the final adopted budget as well as any amendment on their website for at least two years.⁵ No other type of local government entity has a minimum period for which their tentative budget, final budget, and budget amendments must remain available on their website.⁶

Annual Financial Reports

Local government entities that are required to provide an audit under s. 218.39, F.S., must submit an audit report and annual financial report to DFS within 45 days of the completion of the audit report, but no later than nine months after the end of the fiscal year.⁷ Local government entities that are not required to submit an audit report must submit an annual financial report to DFS no later than nine months after the end of the fiscal year.⁸ The annual financial report must be signed by the chair of the local governing body and the chief financial officer for the entity.⁹ The local government's website must contain a link to the DFS website to view the entity's annual financial report.¹⁰

¹ Section 11.40(1), F.S.

² Section 11.40(2), F.S. Auditing and reporting requirements under this subsection include audits conducted by the Auditor General pursuant to s. 11.45, F.S., the filing of annual financial reports by local government entities pursuant to s. 218.32(1), F.S., providing notice of bond issuance and verification requirements pursuant to s. 218.38., F.S., and provisions requiring the disclosure of a financial emergency under s. 218.503(3), F.S. For purposes of s. 11.45, F.S., the term "local governmental entity" means a county agency, municipality, or special district, but does not include any housing authority established under ch. 421, F.S.

³ Sections 129.03(3)(c), 166.241(3), 189.016(4), 373.536(5)-(6), 1011.03(4)-(5), F.S. (requirements for counties, municipalities, special districts, water management districts, and school districts, respectively).

⁶ See ss. 129.03(3)(c), 166.241(3), 373.536(5)-(6), 1011.03(4)-(5), F.S.

⁸ Section 218.32(1)(e), F.S.

⁹ Section 218.32(1)(a), F.S.

¹⁰ Section 218.32(1)(g), F.S.

If DFS does not receive an annual financial report from a local government entity before the deadline, DFS must notify the Legislative Auditing Committee and the Special District Accountability Program of the Department of Economic Opportunity of the entity's failure to comply with reporting requirements.¹¹

Annual Audit Reports

Counties, school districts, municipalities with revenues or expenditures of more than \$250,000 per year, special districts with revenues or expenditures of more than \$100,000 per year, school districts, charter schools, and charter technical career centers are required to conduct an annual audit, unless informed by the first day of the fiscal year that a financial audit by the Auditor General will be performed for that fiscal year.¹² Municipalities with revenues or expenditures between \$100,000 and \$250,000 and special districts with revenues or expenditures between \$50,000 and \$100,000 are required to conduct audits on a triennial basis.¹³

The auditor meets with the chair of the entity to discuss comments that will be included in the report and informs the entity's governing body if deteriorating financial conditions exist that may cause a financial emergency in the absence of corrective actions being taken or a deficit exists for which there are insufficient funds to cover.¹⁴ The officer's explanation or rebuttal of the auditor's findings, including corrective actions to be taken, must be filed with entity's governing body within thirty days after the delivery of the auditor's findings.¹⁵

The audit report must be filed with the Auditor General within 45 days of delivery to the governing body of the audited entity, but no later than nine months after the end of the audited entity's fiscal year.¹⁶ The audit report must include a written statement describing corrective actions to be taken in response to each of the auditor's recommendations included in the report. If an audited entity fails to take full corrective action in response to a recommendation that was included in the two preceding financial audit reports, the Auditor General shall notify the Legislative Auditing Committee.¹⁷

Effect of Proposed Changes

The bill requires each county, municipality, special district, water management district, and school district to post their final budgets on their respective websites and that the budget must remain on the website for five years.

The bill allows for an extension of the deadline for up to 90 days if the Governor declares a state of emergency within 30 days of the submission deadline. The bill requires EDR to develop forms by July 15, 2018 for the purpose of submitting budget data. The forms must provide "broad, but meaningful" categories for organizing expenditures. By December 1, 2018, EDR is required to submit a report to the President of the Senate and Speaker of the House of Representatives that:

- identifies a structure to allow the public to make simple, direct comparisons between governmental entities of the same type,
- enables the public to rank entities of the same type based on submitted budget information, and
- provides recommendations to provide this information in a cost-effective manner.

¹¹ Section 218.32(1)(f), F.S.

¹² Section 218.39(1), F.S.

¹³ Section 218.39(1)(g)-(h), F.S.

¹⁷ Section 218.39(8), F.S.

The government entity must also submit to the clerk of the court a copy of the information that was submitted to EDR, a copy of the final budget that was posted on the county's website, and a statement certifying both of these items were submitted and posted in a timely manner.

The bill requires each school district required to file an annual financial report to submit an electronic copy to the Department of Education certifying the report was timely filed to maintain eligibility for the Florida Education Finance Program.

The bill requires each local government entity to submit a copy of the audit report and annual financial report to DFS no later than six months after the end of the fiscal year. The bill allows DFS to extend the deadline for up to 90 days if the Governor declares a state of emergency within 30 days of the submission deadline. Each local government entity must submit an electronic copy of the annual financial report and a statement certifying the document was timely filed with DFS to the clerk of the court. The bill requires DFS to notify the Legislative Auditing Committee and the Special District Accountability Program of a local government entity's failure to submit financial reports by April 30.

Starting in fiscal year 2018-2019, the bill provides that if a local government entity or school district fails to submit information to the clerk of the court, the clerk shall notify the appropriate fiscal officer of the local government or school district to suspend salary payments to the head of the local government entity or superintendent of the school district until such time as the information is provided to the clerk.

The bill requires DFS to post a copy of each local government entity's annual financial report to its website within 12 months of the conclusion of the fiscal year for which the report was compiled.

The bill requires all municipalities and special districts to complete an annual financial audit starting in fiscal year 2018-2019. The audit report must be filed with the Auditor General no later than six months after the end of the fiscal year. The Auditor General may extend the deadline for up to 90 days if the Governor declares a state of emergency within 30 days of the deadline.

municipalities.

None.

B. RULE-MAKING AUTHORITY:

The bill does not provide rulemaking authority or require executive branch rulemaking.

C. DRAFTING ISSUES OR OTHER COMMENTS:

The bill requires amendments to a municipal budget to be posted on the municipality's website for five years, but not include this requirement for school districts or any other local government entity.

IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

On January 24, 2018, the Local, Federal & Veterans Affairs Subcommittee adopted a strike-all amendment and reported the bill favorably as a committee substitute. The amendment adds the Governor and the Commissioner of Education to the list of reporting entities who can trigger review of a local government entity by the Legislative Auditing Committee. The amendment also makes technical corrections to the bill.

This analysis is drafted to the committee substitute as passed by the Local, Federal & Veterans Affairs Subcommittee.
