I. Summary:

SB 1130 re-creates, without modification, the Land Acquisition Trust Fund within the Department of State and repeals the scheduled termination of the trust fund. The bill has no impact on state or local funds.

II. Present Situation:

Trust Funds

Article III, s. 19(f) of the State Constitution requires the termination of a trust fund within four years of the effective date of the act authorizing the initial creation of the trust fund, unless the trust fund is specifically exempted by the constitution.

Land Acquisition Trust Fund within the Department of State

In 2014, Florida voters approved "Amendment One," a constitutional amendment to provide a dedicated funding source for water and land conservation and restoration. The amendment requires that starting on July 1, 2015, and for 20 years thereafter, 33 percent of net revenues derived from documentary stamp taxes be deposited into the Land Acquisition Trust Fund.

To implement Art. X, s. 28 of the State Constitution, the Legislature passed ch. 2015-229, Laws of Florida. This act, in part, amended the following sections of law:

- Section 201.15, F.S., to conform to the constitutional requirement that the Land Acquisition Trust Fund receive at least 33 percent of net revenues derived from documentary stamp taxes.
- Section 375.041, F.S., to designate the Land Acquisition Trust Fund within the Department of Environmental Protection as the trust fund to serve as the constitutionally mandated depository for the required percentage of documentary stamp tax revenues.

- Section 379.212, F.S., to limit revenues deposited into the Land Acquisition Trust Fund within the Fish and Wildlife Conservation Commission to only those transferred from the Land Acquisition Trust Fund within the Department of Environmental Protection to maintain the integrity of such funds.¹

Additionally, to ensure that funds transferred from the Land Acquisition Trust Fund within the Department of Environmental Protection are tracked from distribution to expenditure the Legislature created two additional land acquisition trust funds, one within the Department of Agriculture and Consumer Services and one within the Department of State.²

Specifically, s. 20.106, F.S., was created to establish the Land Acquisition Trust Fund within the Department of State to be used as a depository for funds received from the Land Acquisition Trust Fund within the Department of Environmental Protection and for the expenditure of such funds for the purposes set forth in Art. X, s. 28 of the State Constitution. The effective date of the act initially creating the trust fund was July 1, 2015.

In accordance with Art. III, s. 19(f)(2) of the State Constitution, the Land Acquisition Trust Fund within the Department of State is scheduled to be terminated on July 1, 2019, unless terminated sooner.

III. Effect of Proposed Changes:

To ensure that the Land Acquisition Trust Fund within the Department of State is not terminated, the bill re-creates such trust fund without modification.

The bill repeals the scheduled termination of the trust fund codified in s. 20.106(5), F.S.

The bill takes effect July 1, 2018.
