12 systems conflicts with an onsite treatment and disposal system
13 remediation plan incorporated into a basin management action
14 plan in accordance with s. 373.807(3). Upon good cause shown,
15 the Department of Health may grant one extension of the deadline
16 within the priority focus area of a basin management action plan
17 of up to 6 months, and in so doing may, in consultation with the
18 department, impose such conditions or requirements as are
19 appropriate so as to assure the expeditious attainment of the
20 remediation plan.
