Florida's Statewide Law Enforcement Radio System (SLERS) is a single, unified digital radio network that meets the radio voice communications needs of state law enforcement officers and other participating agencies throughout the state. The Joint Task Force on State Agency Law Enforcement Communications (task force) is created in law to advise the Department of Management Services of member-agency needs relating to the planning, designing, and establishment of SLERS. The task force consists of the following members:

- A representative of the Division of Alcoholic Beverages and Tobacco of the Department of Business and Professional Regulation who is appointed by the secretary of the department.
- A representative of the Division of Florida Highway Patrol of the Department of Highway Safety and Motor Vehicles who is appointed by the executive director of the department.
- A representative of the Department of Law Enforcement who is appointed by the executive director of the department.
- A representative of the Fish and Wildlife Conservation Commission who is appointed by the executive director of the commission.
- A representative of the Department of Corrections who is appointed by the secretary of the department.
- A representative of the Department of Financial Services who is appointed by the Chief Financial Officer.
- A representative of the Department of Agriculture and Consumer Services who is appointed by the Commissioner of Agriculture.

The task force is required to meet as necessary, but at least quarterly, at the call of the chair.

The bill adds a representative of the Florida Sheriffs Association to the task force, who must be appointed by the president of the Florida Sheriffs Association. The bill requires the per diem and travel expenses related to the task force that are incurred by the representative of the Florida Sheriffs Association to be paid by the sheriff's office that employs the representative.

The bill may have a minimal negative fiscal impact on local governments, but does not appear to have a fiscal impact on the state.

The bill was approved by the Governor on March 21, 2018, ch. 2018-67, L.O.F., and will become effective on July 1, 2018.

## I. SUBSTANTIVE INFORMATION

### A. EFFECT OF CHANGES:

#### Background

Florida's Statewide Law Enforcement Radio System (SLERS) is a single, unified digital radio network that meets the radio voice communications needs of state law enforcement officers and other participating agencies throughout the state. SLERS is a 800/700 (aircraft) MHz system consisting of 200 microwave sites, RF multi-sites, and RF simulcast sites. The SLERS all-digital radio network covers over 60,000 square miles (including 25 miles offshore) with 98 percent mobile coverage and portable coverage in selected areas. The Department of Management Services (DMS) was tasked with implementing SLERS and is responsible for ensuring the proper operation and maintenance of all common system equipment.<sup>1</sup>

The Joint Task Force on State Agency Law Enforcement Communications (task force) is created in law to advise DMS of member-agency needs relating to the planning, designing, and establishment of SLERS. The task force consists of the following members:

- A representative of the Division of Alcoholic Beverages and Tobacco of the Department of Business and Professional Regulation who is appointed by the secretary of the department.
- A representative of the Division of Florida Highway Patrol of the Department of Highway Safety and Motor Vehicles who is appointed by the executive director of the department.
- A representative of the Department of Law Enforcement who is appointed by the executive director of the department.
- A representative of the Fish and Wildlife Conservation Commission who is appointed by the executive director of the commission.
- A representative of the Department of Corrections who is appointed by the secretary of the department.
- A representative of the Department of Financial Services who is appointed by the Chief Financial Officer.
- A representative of the Department of Agriculture and Consumer Services who is appointed by the Commissioner of Agriculture.<sup>2</sup>

Each appointed member of the task force serves at the pleasure of the appointing official. Any vacancy on the task force is filled in the same manner as the original appointment. A task force member may, upon notification to the chair before the beginning of any scheduled meeting, appoint an alternative to represent the member on the task force and vote on task force business in his or her absence.<sup>3</sup>

The task force must elect a chair from among its members to serve a one-year term. A vacancy in the chair of the joint task force must be filled for the remainder of the unexpired term by an election of the task force members.<sup>4</sup>

The task force is required to meet as necessary, but at least quarterly, at the call of the chair and at the time and place designated by him or her. The per diem and travel expenses incurred by a member of the task force in attending its meetings and in attending to its affairs must be paid from funds budgeted to the state agency that the member represents.<sup>5</sup>
