6 (a) 1. Except as provided in subparagraph 2., the voting
7 membership of an M.P.O. shall consist of at least 5 but not more
8 than 25 apportioned members, with the exact number determined on
9 an equitable geographic-population ratio basis, based on an
10 agreement among the affected units of general-purpose local
11 government and the Governor, as required by federal regulations.

12 In accordance with 23 U.S.C. s. 134, the Governor may also allow
13 M.P.O. members who represent municipalities to alternate with
14 representatives from other municipalities within the
15 metropolitan planning area which do not have members on the
16 M.P.O. With the exception of instances in which all of the
17 county commissioners in a single-county M.P.O. are members of
18 the M.P.O. governing board, county commissioners shall compose
19 at least one-third of the M.P.O. governing board membership. A
20 multicounty M.P.O. may satisfy this requirement by any
21 combination of county commissioners from each of the counties
22 constituting the M.P.O. Voting members shall be elected
23 officials of general-purpose local governments, one of whom may
24 represent a group of general-purpose local governments through
25 an entity created by an M.P.O. for that purpose. An M.P.O. may
26 include, as part of its apportioned voting members, a member of
27 a statutorily authorized planning board, an official of an
28 agency that operates or administers a major mode of
29 transportation, or an official of Space Florida. ~~As used in this~~
30 ~~section, the term "elected officials of a general purpose local~~
31 ~~government" excludes constitutional officers, including~~
32 ~~sheriffs, tax collectors, supervisors of elections, property~~
33 ~~appraisers, clerks of the court, and similar types of officials.~~
34 County commissioners shall compose not less than 20 percent of
35 the M.P.O. membership if an official of an agency that operates
36 or administers a major mode of transportation has been appointed
37 to an M.P.O.
