I. Summary:

PCS/SB 1528 creates the Historically Black Colleges and Universities (HBCU) Matching Endowment Scholarship Trust Fund (trust fund) within the Department of Education. The trust fund is established for use as a depository for funds to be used for purposes of the Historically Black Colleges and Universities Matching Endowment Scholarship Program. The bill specifies that moneys to be credited to the trust fund must consist of an appropriation from the Legislature and matching funds from participating HBCUs in the state.

The bill takes effect contingent upon, and concurrent with, passage of SB 1526, which takes effect July 1, 2018.

II. Present Situation:

Establishment of Trust Funds

A trust fund may be created by law only by the Legislature and only if passed by a three-fifths vote of the membership of each house in a separate bill for that purpose only.¹ Except for trust funds being re-created by the Legislature, each trust fund must be created by statutory language that specifies at least the following:²

- The name of the trust fund.
- The agency or branch of state government responsible for administering the trust fund.

Review of Trust Funds

The Legislature must review all state trust funds at least once every 4 years.⁵ Prior to the regular session of the Legislature immediately preceding the date on which any executive or judicial branch trust fund is scheduled to be terminated,⁶ or such earlier date as the Legislature may specify,⁷ the agency responsible for the administration of the trust fund and the Governor, for executive branch trust funds, or the Chief Justice, for judicial branch trust funds, must recommend to the President of the Senate and the Speaker of the House of Representatives whether the trust fund should be allowed to terminate or should be re-created.⁸ Each recommendation must be based on a review of the purpose and use of the trust fund and a determination of whether the trust fund will continue to be necessary.⁹ A recommendation to re-create the trust fund may include suggested modifications to the purpose, sources of receipts, and allowable expenditures for the trust fund.¹⁰

When the Legislature terminates a trust fund, the agency or branch of state government that administers the trust fund must pay any outstanding debts or obligations of the trust fund as soon as practicable.¹¹ The Legislature may also provide for the distribution of moneys in that trust fund. If no such distribution is provided, the moneys remaining after all outstanding obligations of the trust fund are met must be deposited in the General Revenue Fund.¹²
