30 institution board of trustees is authorized to establish a  
31 separate fee for technology, not to exceed 5 percent of tuition  
32 per credit hour or credit-hour equivalent for resident students  
33 and not to exceed 5 percent of tuition and the out-of-state fee  
34 per credit hour or credit-hour equivalent for nonresident  
35 students. Revenues generated from the technology fee shall be  
36 used to enhance instructional technology resources for students  
37 and faculty and may ~~shall~~ not be included in an ~~any~~ award under  
38 the Florida Bright Futures Scholarship Program, except as  
39 authorized for the Florida Academic Scholars award or the  
40 Florida Medallion Scholars award under ss. 1009.534 and  
41 1009.535, respectively. Fifty percent of technology fee revenues  
42 may be pledged by a Florida College System institution board of  
43 trustees as a dedicated revenue source for the repayment of  
44 debt, including lease-purchase agreements, not to exceed the  
45 useful life of the asset being financed. Revenues generated from  
46 the technology fee may not be bonded.

47 Section 3. Subsection (10) of section 1009.23, Florida  
48 Statutes, is amended to read:

49 1009.23 Florida College System institution student fees.—

50 (10) Each Florida College System institution board of  
51 trustees is authorized to establish a separate fee for  
52 technology, which may not exceed 5 percent of tuition per credit  
53 hour or credit-hour equivalent for resident students and may not  
54 exceed 5 percent of tuition and the out-of-state fee per credit  
55 hour or credit-hour equivalent for nonresident students.  
56 Revenues generated from the technology fee shall be used to  
57 enhance instructional technology resources for students and  
58 faculty. The technology fee may apply to both college credit and

59 developmental education and may ~~shall~~ not be included in an ~~any~~  
60 award under the Florida Bright Futures Scholarship Program,  
61 except as authorized for the Florida Academic Scholars award or  
62 the Florida Medallion Scholars award under ss. 1009.534 and  
63 1009.535, respectively. Fifty percent of technology fee revenues  
64 may be pledged by a Florida College System institution board of  
65 trustees as a dedicated revenue source for the repayment of  
66 debt, including lease-purchase agreements, not to exceed the  
67 useful life of the asset being financed. Revenues generated from  
68 the technology fee may not be bonded.

69 Section 4. Subsection (13) and paragraph (b) of subsection  
70 (16) of section 1009.24, Florida Statutes, are amended to read:  
71 1009.24 State university student fees.—

72 (13) Each university board of trustees may establish a  
73 technology fee of up to 5 percent of the tuition per credit  
74 hour. The revenue from this fee shall be used to enhance  
75 instructional technology resources for students and faculty. The  
76 technology fee may not be included in an ~~any~~ award under the  
77 Florida Bright Futures Scholarship Program established pursuant  
78 to ss. 1009.53-1009.538, except as authorized for the Florida  
79 Academic Scholars award or the Florida Medallion Scholars award  
80 under ss. 1009.534 and 1009.535, respectively.

81 (16) Each university board of trustees may establish a  
82 tuition differential for undergraduate courses upon receipt of  
83 approval from the Board of Governors. However, beginning July 1,  
84 2014, the Board of Governors may only approve the establishment  
85 of or an increase in tuition differential for a state research  
86 university designated as a preeminent state research university  
87 pursuant to s. 1001.7065(3). The tuition differential shall

88 promote improvements in the quality of undergraduate education  
89 and shall provide financial aid to undergraduate students who  
90 exhibit financial need.

91 (b) Each tuition differential is subject to the following  
92 conditions:

93 1. The tuition differential may be assessed on one or more  
94 undergraduate courses or on all undergraduate courses at a state  
95 university.

96 2. The tuition differential may vary by course or courses,  
97 by campus or center location, and by institution. Each  
98 university board of trustees shall strive to maintain and  
99 increase enrollment in degree programs related to math, science,  
100 high technology, and other state or regional high-need fields  
101 when establishing tuition differentials by course.

102 3. For each state university that is designated as a  
103 preeminent state research university by the Board of Governors,  
104 pursuant to s. 1001.7065, the aggregate sum of tuition and the  
105 tuition differential may be increased by no more than 6 percent  
106 of the total charged for the aggregate sum of these fees in the  
107 preceding fiscal year. The tuition differential may be increased  
108 if the university meets or exceeds performance standard targets  
109 for that university established annually by the Board of  
110 Governors for the following performance standards, amounting to  
111 no more than a 2-percent increase in the tuition differential  
112 for each performance standard:

113 a. An increase in the 6-year graduation rate for full-time,  
114 first-time-in-college students, as reported annually to the  
115 Integrated Postsecondary Education Data System.

116 b. An increase in the total annual research expenditures.

117 c. An increase in the total patents awarded by the United  
118 States Patent and Trademark Office for the most recent years.

119 4. The aggregate sum of undergraduate tuition and fees per  
120 credit hour, including the tuition differential, may not exceed  
121 the national average of undergraduate tuition and fees at 4-year  
122 degree-granting public postsecondary educational institutions.

123 5. The tuition differential shall not be included in an ~~any~~  
124 award under the Florida Bright Futures Scholarship Program  
125 established pursuant to ss. 1009.53-1009.538, except as  
126 authorized for the Florida Academic Scholars award or the  
127 Florida Medallion Scholars award under ss. 1009.534 and  
128 1009.535, respectively.

129 6. Beneficiaries having prepaid tuition contracts pursuant  
130 to s. 1009.98(2)(b) which were in effect on July 1, 2007, and  
131 which remain in effect, are exempt from the payment of the  
132 tuition differential.

133 7. The tuition differential may not be charged to any  
134 student who was in attendance at the university before July 1,  
135 2007, and who maintains continuous enrollment.

136 8. The tuition differential may be waived by the university  
137 for students who meet the eligibility requirements for the  
138 Florida public student assistance grant established in s.  
139 1009.50.

140 9. Subject to approval by the Board of Governors, the  
141 tuition differential authorized pursuant to this subsection may  
142 take effect with the 2009 fall term.

143 Section 5. Subsection (9) of section 1009.53, Florida  
144 Statutes, is amended to read:

145 1009.53 Florida Bright Futures Scholarship Program.—

15-01647-18

146 (9) A student may use an award for summer term enrollment.  
147 The Legislature shall appropriate additional funds necessary for  
148 use of an award for summer term enrollment as provided in the  
149 General Appropriations Act ~~if funds are available.~~

150 Section 6. Subsection (6) of section 1009.531, Florida  
151 Statutes, is amended to read:

152 1009.531 Florida Bright Futures Scholarship Program;  
153 student eligibility requirements for initial awards.-

154 (6) (a) The State Board of Education shall publicize the  
155 examination score required for a student to be eligible for a  
156 Florida Academic Scholars award, pursuant to s. 1009.534(1) (a)  
157 or (b), as follows:-

158 1. For high school students graduating in the 2018-2019  
159 academic year, the student must earn an SAT score of 1280 ~~1290~~  
160 which corresponds to the 89th SAT percentile rank or a  
161 concordant ACT score of 27 ~~29~~.

162 2. For high school students graduating in the 2019-2020  
163 academic year, the student must earn an SAT score of 1275 which  
164 corresponds to the 89th SAT percentile rank or a concordant ACT  
165 score of 27.

166 3. For high school students graduating in the 2020-2021  
167 academic year, the student must earn an SAT score of 1270 which  
168 corresponds to the 88th percentile rank or a concordant ACT  
169 score of 26.

170 (b) The State Board of Education shall publicize the  
171 examination score required for a student to be eligible for a  
172 Florida Medallion Scholars award, pursuant to s. 1009.535(1) (a)  
173 or (b), as follows:-

174 1. For high school students graduating in the 2018-2019

175 academic year, the student must earn an SAT score of 1100 ~~1170~~  
176 which corresponds to the 67th ~~75th~~ SAT percentile rank or a  
177 concordant ACT score of 22 ~~26~~.

178 2. For high school students graduating in the 2019-2020  
179 academic year, the student must earn an SAT score of 1020 which  
180 corresponds to the 52nd SAT percentile rank or a concordant ACT  
181 score of 20.

182 3. For high school students graduating in the 2020-2021  
183 academic year, the student must earn an SAT score of 970 which  
184 corresponds to the 42nd SAT percentile rank or a concordant ACT  
185 score of 18.

186 (c) The SAT percentile ranks and corresponding SAT scores  
187 specified in paragraphs (a) and (b) are based on the SAT  
188 percentile ranks for 2016 ~~2010~~ college-bound seniors in critical  
189 reading and mathematics as reported by the College Board. The  
190 next highest SAT score is used when the percentile ranks do not  
191 directly correspond.

192 Section 7. Subsection (2) of section 1009.534, Florida  
193 Statutes, is amended to read:

194 1009.534 Florida Academic Scholars award.—
