At the end of existing proviso language, following Specific Appropriation 207, INSERT:

The Agency for Health Care Administration shall incorporate Child Welfare Targeted Case Management, as defined in s. 409.906(24), Florida Statutes, into the specialty health care plan for Florida's dependent children. The agency shall work in collaboration with the Department of Children and Families and the Florida Coalition for Children to streamline the Child Welfare Targeted Case Management services and minimize the workload requirements for the child welfare case manager. This includes dual certification for case managers, minimal authorization processes, utilizing one month as a unit of service, minimizing the activities and documentation requirements, and other strategies to support the case manager.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
