eligible client by a provider have been approved by the
department pursuant to subsection (4).

(4) INFORMATIONAL MATERIALS.—A contracted entity or its
providers may only provide informational materials to any person
which have been reviewed and approved in writing by an employee
of the department who is a physician licensed under chapter 458
or chapter 459. A department employee shall review submitted

12 proposed informational materials and must approve in writing
13 only informational materials that are current and accurate, and
14 that cite the reference source of any medical statement included
15 in such materials. Any failure by a contracted entity or its
16 providers to comply with this requirement is sufficient grounds
17 to cancel its contract.
