 15 Be It Enacted by the Legislature of the State of Florida:

16

31 (a) A physician who certifies that the information is  
32 necessary to provide medical treatment to a patient with a  
33 terminal illness who has a plan in the clearinghouse.

34 (b) A patient or the legal guardian or designated health  
35 care surrogate of a patient with a terminal illness who has a  
36 plan in the clearinghouse.

37 (c) A health care facility that certifies that the  
38 information is necessary to provide medical treatment to a  
39 patient with a terminal illness who has a plan in the

41 (3) This section is subject to the Open Government Sunset  
42 Review Act in accordance with s. 119.15 and shall stand repealed  
43 on October 2, 2023, unless reviewed and saved from repeal  
44 through reenactment by the Legislature.

45 Section 2. The Legislature finds that it is a public  
46 necessity to make confidential and exempt from disclosure  
47 information held in the Clearinghouse for Compassionate and  
48 Palliative Care Plans which would identify a patient, his or her  
49 terminal illness, or the patient's family members. Such personal  
50 identifying information, if publicly available, could be used to  
51 invade the personal privacy of the patient or his or her family.  
52 The decisions made under a compassionate and palliative care  
53 plan for a terminal condition are a private matter. Furthermore,  
54 the public disclosure of such information could hinder the  
55 effective and efficient administration of the clearinghouse.  
56 Public access to such information could reduce participation in  
57 and minimize the effectiveness of compassionate and palliative  
58 care plans to meet the needs of individuals. Finally, access to

59 such information could be used to solicit, harass, stalk, or  
60 intimidate terminally ill patients or their families. Therefore,  
61 the Legislature finds that information held in the clearinghouse  
62 which would identify a patient who has a plan on file with the  
63 clearinghouse or which contains or reflects the patient's  
64 medical information should be confidential and exempt from  
65 public records requirements.

66 Section 3. This act shall take effect on the same date that  
67 SB \_\_\_ or similar legislation takes effect if such legislation  
68 is adopted in the same legislative session or an extension  
69 thereof and becomes a law.
