1 Committee/Subcommittee hearing bill: Health Innovation
 2 Subcommittee

3 Representative Burton offered the following:

4
 5 **Amendment**

6 Remove lines 104-116 and insert:

7 health care facility's staff, patients, and visitors. Building
 8 plans, blueprints, schematic drawings, diagrams, preliminary
 9 plans, and construction documents received by the agency and
 10 other government agencies, which depict the internal layout or
 11 structural elements of hospitals, ambulatory surgical centers,
 12 nursing homes, hospices, and intermediate care facilities for
 13 the developmentally disabled are currently subject to release as
 14 public records and subject to release upon request. The Agency
 15 for Health Care Administration reviews the building plans of
 16 proposed health care facility construction to ensure compliance

Amendment No.

17 with health care rules, codes, and standards in order to protect
18 the public health and safety. These building plans include
19 diagrams and schematics of building floor plans, communication
20 systems, medical gas systems, electrical systems, and other
21 physical plant and security details, which depict the internal
22 layout and structural elements of health care facilities. Recent
23 security threats
