Section 1. Effective January 1, 2019, section 39.4015, Florida Statutes, is created to read:

39.4015 Family finding.-

(1) LEGISLATIVE FINDINGS AND INTENT.-

(a) The Legislature finds that every child who is in outof-home care has the goal of finding a permanent home, whether

Page 1 of 39

371160

11	achieved by reunifying the child with his or her parents or
12	finding another permanent connection, such as adoption or legal
13	guardianship with a relative or nonrelative who has a
14	significant relationship with the child.
15	(b) The Legislature finds that while legal permanency is
16	important to a child in out-of-home care, emotional permanency
17	helps increase the likelihood that children will achieve
18	stability and well-being and successfully transition to
19	independent adulthood.
20	(c) The Legislature also finds that research has
21	consistently shown that placing a child within his or her own
22	family reduces the trauma of being removed from his or her home,
23	is less likely to result in placement disruptions, and enhances
24	prospects for finding a permanent family if the child cannot
25	return home.
26	(d) The Legislature further finds that the primary purpose
27	of family finding is to facilitate legal and emotional
28	permanency for children who are in out-of-home care by finding
29	and engaging their relatives.
30	(e) It is the intent of the Legislature that every child in
31	out-of-home care be afforded the advantages that can be gained
32	from the use of family finding to establish caring and long-term
33	or permanent connections and relationships for children and
34	youth in out-of-home care, as well as to establish a long-term
35	emotional support network with family members and other adults
36	who may not be able to take the child into their home but who
37	want to stay connected with the child.
38	(2) DEFINITIONSAs used in this section, the term:
39	(a) "Diligent efforts" means the use of methods and

371160

40	techniques including, but not limited to, interviews with
41	immediate and extended family and kin, genograms, eco-mapping,
42	case mining, cold calls, and specialized computer searches.
43	(b) "Family finding" means an intensive relative search and
44	engagement technique used in identifying family and other close
45	adults for children in out-of-home care and involving them in
46	developing and carrying out a plan for the emotional and legal
47	permanency of a child.
48	(c) "Family group decisionmaking" is a generic term that
49	includes a number of approaches in which family members and
50	fictive kin are brought together to make decisions about how to
51	care for their children and develop a plan for services. The
52	term includes family team conferencing, family team meetings,
53	family group conferencing, family team decisionmaking, family
54	unity meetings, and team decisionmaking, which may consist of
55	several phases and employ a trained facilitator or coordinator.
56	(d) "Fictive kin" means an individual who is unrelated to
57	the child by either birth or marriage, but has such a close
58	emotional relationship with the child that he or she may be
59	considered part of the family.
60	(3) FAMILY-FINDING PROGRAMThe department, in
61	collaboration with sheriffs' offices that conduct child
62	protective investigations and community-based care lead
63	agencies, shall develop a formal family-finding program to be
64	implemented statewide by child protective investigators and
65	community-based care lead agencies. Implementation of the
66	program is contingent upon the appropriation of funds by the
67	Legislature specifically for the program.
68	(a) Family finding is required as soon as a child comes to

Page 3 of 39

69	the attention of the department and throughout the duration of
70	the case, and finding and engaging with as many family members
71	and fictive kin as possible for each child who may help with
72	care or support for the child is considered a best practice. The
73	department or community-based care lead agency must specifically
74	document strategies taken to locate and engage relatives and
75	kin. Strategies of engagement may include, but are not limited
76	to, asking the relatives and kin to:
77	1. Participate in a family group decisionmaking conference,
78	family team conferencing, or other family meetings aimed at
79	developing or supporting the family service plan;
80	2. Attend visitations with the child;
81	3. Assist in transportation of the child;
82	4. Provide respite or child care services; or
83	5. Provide actual kinship care.
84	(b) The department and the community-based care lead
85	agencies must use diligent efforts in family finding, must
86	continue those efforts until multiple relatives and kin are
87	identified, and must go beyond basic searching tools by
88	exploring alternative tools and methodologies. Efforts by the
89	department and the community-based care lead agency may include,
90	but are not limited to:
91	1. Searching for and locating adult relatives and kin.
92	2. Identifying and building positive connections between
93	the child and the child's relatives and fictive kin.
94	3. Supporting the engagement of relatives and fictive kin
95	in social service planning and delivery of services and creating
96	a network of extended family support to assist in remedying the
97	concerns that led to the child becoming involved with the child

welfare system, when appropriate.	
4. Maintaining family connections, when possible.	
5. Keeping siblings together in care, when in the best	
interest of each child and when possible.	
(c) A basic computer search using the Internet or attempt	S
to contact known relatives at a last known address or telephone	e
number do not constitute effective family finding.	
(d) The court's inquiry and determination regarding family	<u>y</u>
finding should be made at each stage of the case, including a	
shelter hearing conducted pursuant to s. 39.402. The court shall	11
place its determinations on the record as to whether the	
department or community-based care lead agency has reasonably	
engaged in family finding. The level of reasonableness is to be	е
determined by the length of the case and the amount of time the	е
department or community-based care lead agency has had to begin	n
or continue the process.	
(4) RULEMAKINGThe department shall adopt rules to	
implement this section.	
Section 2. Paragraphs (c) and (d) of subsection (11) of	
section 39.402, Florida Statutes, and subsection (17) of that	
section are amended to read:	
39.402 Placement in a shelter	
(11)	
(c) The court shall request that the parents consent to	
provide access to the child's child care records, early	
education program records, or other educational records and	
provide information to the court, the department or its contract	ct
agencies, and any guardian ad litem or attorney for the child.	
If a parent is unavailable or unable to consent or withholds	

127 consent and the court determines access to the records and 128 information is necessary to provide services to the child, the 129 court shall issue an order granting access.

(d) The court may appoint a surrogate parent or may refer the child to the district school superintendent for appointment of a surrogate parent if the child has or is suspected of having a disability and the parent is unavailable pursuant to s. 39.0016(3)(b). If the child is under the age of school entry, the court must make the appointment.

136 (17) At the shelter hearing, the court shall inquire of the 137 parent whether the parent has relatives who might be considered 138 as a placement for the child. The parent shall provide to the 139 court and all parties identification and location information 140 regarding the relatives. The court shall advise the parent that 141 the parent has a continuing duty to inform the department of any 142 relative who should be considered for placement of the child. 143 Upon implementation of the program authorized under s. 39.4015, 144 the court shall place its determinations on the record as to 145 whether the department or community-based care lead agency has reasonably engaged in family finding. The level of 146 147 reasonableness is to be determined by the length of the case and amount of time the department or community-based care lead 148 agency has had to begin or continue the process. 149 150 Section 3. Present subsection (9) of section 39.506, 151 Florida Statutes, is redesignated as subsection (10), and a new 152 subsection (9) is added to that section, to read: 153 39.506 Arraignment hearings.-

154 (9) Upon implementation of the program authorized under s.
155 39.4015, the court shall review whether the department or

Page 6 of 39

156	community-based care lead agency has reasonably engaged in
157	family finding and make a written determination as to its
158	findings. The level of reasonableness is determined by the
159	length of the case and amount of time the department or
160	community-based care lead agency has had to begin or continue
161	the process.
162	Section 4. Paragraphs (c) and (d) of subsection (7) of
163	section 39.507, Florida Statutes, are amended to read:
164	39.507 Adjudicatory hearings; orders of adjudication
165	(7)
166	(c) If a court adjudicates a child dependent and the child
167	is in out-of-home care, the court shall inquire of the parent or
168	parents whether the parents have relatives who might be
169	considered as a placement for the child. The court shall advise
170	the parents that, if the parents fail to substantially comply
171	with the case plan, their parental rights may be terminated and
172	that the child's out-of-home placement may become permanent. The
173	parent or parents shall provide to the court and all parties
174	identification and location information of the relatives. <u>Upon</u>
175	implementation of the program authorized under s. 39.4015, the
176	court shall review whether the department or community-based
177	care lead agency has reasonably engaged in family finding and
178	make a written determination as to its findings. The level of
179	reasonableness is determined by the length of the case and
180	amount of time the department or community-based care lead
181	agency has had to begin or continue the process.
182	(d) The court shall advise the parents that, if they fail
183	to substantially comply with the case plan, their parental
184	rights may be terminated and that the child's out-of-home

371160

185	placement may become permanent.
186	Section 5. Effective January 1, 2019, section 39.5085,
187	Florida Statutes, is amended to read:
188	39.5085 <u>Kinship Care</u> <del>Relative Caregiver</del> Program.—
189	(1) LEGISLATIVE FINDINGS AND INTENT
190	(a) The Legislature finds that an increasing number of
191	relatives and fictive kin are assuming the responsibility of
192	raising children because the parents of these children are
193	unable to care for them.
194	(b) The Legislature also finds that these kinship
195	caregivers perform a vital function by providing homes for
196	children who would otherwise be at risk of foster care placement
197	and that kinship care is a crucial option in the spectrum of
198	out-of-home care available to children in need.
199	(c) The Legislature finds that children living with kinship
200	caregivers experience increased placement stability, are less
201	likely to reenter care if they are reunified with their parents,
202	and have better behavioral and mental health outcomes.
203	(d) The Legislature further finds that these kinship
204	caregivers may face a number of difficulties and need assistance
205	to support the health and well-being of the children they care
206	for. These needs include, but are not limited to, financial
207	assistance, legal assistance, respite care, child care,
208	specialized training, and counseling.
209	(e) It is the intent of the Legislature to provide for the
210	establishment and implementation of procedures and protocols
211	that are likely to increase and adequately support appropriate
212	and safe kinship care placements.
213	(2) DEFINITIONS.—As used this section, the term:

Page 8 of 39

214	(a) "Fictive kin" means an individual who is unrelated to
215	the child by either birth or marriage, but has such a close
216	emotional relationship with the child that he or she may be
217	considered part of the family.
218	(b) "Kinship care" means the full-time care of a child
219	placed in out-of-home care by the court in the home of a
220	relative or fictive kin.
221	(c) "Kinship navigator program" means a statewide program
222	designed to ensure that kinship caregivers are provided with
223	necessary resources for the preservation of the family.
224	(d) "Relative" means an individual who is caring full time
225	for a child placed in out-of-home care by the court and who:
226	1. Is related to the child within the fifth degree by blood
227	or marriage to the parent or stepparent of the child; or
228	2. Is related to a half-sibling of that child within the
229	fifth degree by blood or marriage to the parent or stepparent.
230	(3) ASSISTANCE AND SERVICES.—
231	(a) The purpose of a kinship navigator program is to help
232	relative caregivers and fictive kin in the child welfare system
233	to navigate the broad range of services available to them and
234	the children from public, private, community, and faith-based
235	organizations.
236	(b) Effective January 1, 2019, and contingent upon an
237	appropriation of funds by the Legislature, each community-based
238	care lead agency shall establish a kinship navigator program. In
239	order to meet the requirements of a kinship navigator program,
240	the program must:
241	1. Be coordinated with other state or local agencies that
242	promote service coordination or provide information and referral

Page 9 of 39

371160

243	services, including any entities that participate in the Florida
244	211 Network, to avoid duplication or fragmentation of services
245	to kinship care families;
246	2. Be planned and operated in consultation with kinship
247	caregivers and organizations representing them, youth raised by
248	kinship caregivers, relevant governmental agencies, and relevant
249	community-based or faith-based organizations;
250	3. Establish a toll-free telephone hotline to provide
251	information to link kinship caregivers, kinship support group
252	facilitators, and kinship service providers to:
253	a. One another;
254	b. Eligibility and enrollment information for federal,
255	state, and local benefits;
256	c. Relevant training to assist kinship caregivers in
257	caregiving and in obtaining benefits and services; and
258	d. Relevant knowledge related to legal options available
259	for child custody, other legal assistance, and help in obtaining
260	legal services.
261	4. Provide outreach to kinship care families, including by
262	establishing, distributing, and updating a kinship care website,
263	or other relevant guides or outreach materials; and
264	5. Promote partnerships between public and private
265	agencies, including schools, community-based or faith-based
266	organizations, and relevant governmental agencies, to increase
267	their knowledge of the needs of kinship care families to promote
268	better services for those families.
269	(4) RULEMAKINGThe department shall adopt rules to
270	implement this section.
271	(1) It is the intent of the Legislature in enacting this

COMMITTEE AMENDMENT

272	section to:
273	(a) Provide for the establishment of procedures and
274	protocols that serve to advance the continued safety of children
275	by acknowledging the valued resource uniquely available through
276	grandparents, relatives of children, and specified nonrelatives
277	of children pursuant to subparagraph (2)(a)3.
278	(b) Recognize family relationships in which a grandparent
279	or other relative is the head of a household that includes a
280	child otherwise at risk of foster care placement.
281	(c) Enhance family preservation and stability by
282	recognizing that most children in such placements with
283	grandparents and other relatives do not need intensive
284	supervision of the placement by the courts or by the department.
285	(d) Recognize that permanency in the best interests of the
286	child can be achieved through a variety of permanency options,
287	including permanent guardianship under s. 39.6221 if the
288	guardian is a relative, by permanent placement with a fit and
289	willing relative under s. 39.6231, by a relative, guardianship
290	under chapter 744, or adoption, by providing additional
291	placement options and incentives that will achieve permanency
292	and stability for many children who are otherwise at risk of
293	foster care placement because of abuse, abandonment, or neglect,
294	but who may successfully be able to be placed by the dependency
295	court in the care of such relatives.
296	(e) Reserve the limited casework and supervisory resources

297 of the courts and the department for those cases in which 298 children do not have the option for safe, stable care within the 299 family.

300

(f) Recognize that a child may have a close relationship

301 with a person who is not a blood relative or a relative by 302 marriage and that such person should be eligible for financial 303 assistance under this section if he or she is able and willing 304 to care for the child and provide a safe, stable home 305 environment. 306 (2) (a) The Department of Children and Families shall 307 establish, operate, and implement the Relative Caregiver Program 308 by rule of the department. The Relative Caregiver Program shall, 309 within the limits of available funding, provide financial 310 assistance to: 311

1. Relatives who are within the fifth degree by blood or marriage to the parent or stepparent of a child and who are caring full-time for that dependent child in the role of substitute parent as a result of a court's determination of child abuse, neglect, or abandonment and subsequent placement with the relative under this chapter.

2. Relatives who are within the fifth degree by blood or marriage to the parent or stepparent of a child and who are caring full-time for that dependent child, and a dependent halfbrother or half-sister of that dependent child, in the role of substitute parent as a result of a court's determination of child abuse, neglect, or abandonment and subsequent placement with the relative under this chapter.

324 3. Nonrelatives who are willing to assume custody and care 325 of a dependent child in the role of substitute parent as a 326 result of a court's determination of child abuse, neglect, or 327 abandonment and subsequent placement with the nonrelative 328 caregiver under this chapter. The court must find that a 329 proposed placement under this subparagraph is in the best

331	4. A relative or nonrelative caregiver, but the relative or
332	nonrelative caregiver may not receive a Relative Caregiver
333	Program payment if the parent or stepparent of the child resides
334	in the home. However, a relative or nonrelative may receive the
335	Relative Caregiver Program payment for a minor parent who is in
336	his or her care, as well as for the minor parent's child, if
337	both children have been adjudicated dependent and meet all other
338	eligibility requirements. If the caregiver is currently
339	receiving the payment, the Relative Caregiver Program payment
340	must be terminated no later than the first of the following
341	month after the parent or stepparent moves into the home,
342	allowing for 10-day notice of adverse action.
343	
344	The placement may be court-ordered temporary legal custody to
345	the relative or nonrelative under protective supervision of the
346	department pursuant to s. 39.521(1)(c)3., or court-ordered
347	placement in the home of a relative or nonrelative as a
348	permanency option under s. 39.6221 or s. 39.6231 or under former
349	s. 39.622 if the placement was made before July 1, 2006. The
350	Relative Caregiver Program shall offer financial assistance to
351	caregivers who would be unable to serve in that capacity without
352	the caregiver payment because of financial burden, thus exposing
353	the child to the trauma of placement in a shelter or in foster
354	care.
355	(b) Caregivers who receive assistance under this section
356	must be capable, as determined by a home study, of providing a
357	physically safe environment and a stable, supportive home for
358	the children under their care and must assure that the

Six months after the date of the child's removal fromhis or her home, if no review hearing has been held since thechild's removal from the home.

7. If the child is in an out-of-home placement, child support to be paid by the parents, or the guardian of the child's estate if possessed of assets which under law may be disbursed for the care, support, and maintenance of the child. The court may exercise jurisdiction over all child support matters, shall adjudicate the financial obligation, including health insurance, of the child's parents or guardian, and shall enforce the financial obligation as provided in chapter 61. The state's child support enforcement agency shall enforce child support orders under this section in the same manner as child not be contingent upon issuance of a support order.

8.a. If the court does not commit the child to the temporary legal custody of an adult relative, legal custodian, or other adult approved by the court, the disposition order <u>must</u> <del>shall</del> include the reasons for such a decision and, <u>upon</u> <u>implementation of the program authorized under s. 39.4015, shall</u> <u>include a written</u> determination as to whether <del>diligent offorts</del> <del>were made by</del> the department <u>and the community-based care lead</u> <u>agency reasonably engaged in family finding in attempting</u> to locate an adult relative, legal custodian, or other adult willing to care for the child in order to present that placement.

446 The level of reasonableness is determined by the length of the 447 case and amount of time the department or community-based care 448 lead agency has had to begin or continue the process. 449 b. If no suitable relative is found and the child is placed 450 with the department or a legal custodian or other adult approved 451 by the court, both the department and the court shall consider transferring temporary legal custody to an adult relative 452 453 approved by the court at a later date, but neither the 454 department nor the court is obligated to so place the child if 455 it is in the child's best interest to remain in the current 456 placement. 457 458 For the purposes of this section, "diligent efforts to locate an 459 adult relative" means a search similar to the diligent search 460 for a parent, but without the continuing obligation to search 461 after an initial adequate search is completed. 462 9. Other requirements necessary to protect the health, safety, and well-being of the child, to preserve the stability 463 464 of the child's child care, early education program, or any other 465 educational placement, and to promote family preservation or 466 reunification whenever possible. 514	(1) SHORT TITLE.—This section may be cited as the "Rilya

516	(2) LEGISLATIVE FINDINGS AND INTENT
517	(a) The Legislature finds that children from birth to age $5$
518	years are particularly vulnerable to maltreatment and that they
519	enter out-of-home care in disproportionately high numbers.
520	(b) The Legislature also finds that children who are abused
521	or neglected are at high risk of experiencing physical and
522	mental health problems and problems with language and
523	communication, cognitive development, and social and emotional
524	development.
525	(c) The Legislature also finds that providing early
526	intervention and services, as well as quality child care and
527	early education programs to support the healthy development of
528	these young children, can have positive effects that last
529	throughout childhood and into adulthood.
530	(d) The Legislature also finds that the needs of each of
531	these children are unique, and while some children may be best
532	served by a quality child care or early education program,

371160

533 <u>others may need more attention and nurturing that can best be</u> 534 <u>provided by a stay-at-home caregiver</u> The Legislature recognizes 535 that children who are in the care of the state due to abuse, 536 neglect, or abandonment are at increased risk of poor school 537 performance and other behavioral and social problems.

(e) It is the intent of the Legislature that children who are currently in <u>out-of-home</u> the care of the state be provided with an age-appropriate <u>developmental child care or early</u> <u>education arrangement that is in the best interest of the child</u> <del>education program</del> to help ameliorate the negative consequences of abuse, neglect, or abandonment.
