Representative Renner offered the following:

Amendment (with directory and title amendments)

Between lines 1074 and 1075, insert:

(12) (a) The agency, in consultation with the Board of
Medicine and the Board of Osteopathic Medicine, shall adopt
rules that establish requirements for practitioners and
facilities to ensure the safe and effective delivery of surgical
care to children in ambulatory surgical centers. The rules must
be consistent with the American College of Surgeons' standards
document entitled "Optimal Resources for Children's Surgical
Care" and must establish minimum standards for pediatric patient
care treatment practices, including at least all of the
