**SUMMARY ANALYSIS**

HB 7025 passed the House on February 14, 2018, and subsequently passed the Senate on March 5, 2018. Florida Statute section 11.242 requires the Division of Law Revision and Information of the Office of Legislative Services to conduct a systematic and continuing study of the state's statutes and laws. The purpose of this study is to recommend to the Legislature changes that would:

- Remove inconsistencies, redundancies, and unnecessary repetition.
- Improve clarity.
- Facilitate correct and proper interpretation.

Such changes include:

- Corrections to grammatical and typographical errors.
- Removal of expired or obsolete statutes and laws.
- Transfer, consolidation, and renumbering of sections, subsections, chapter, and titles.

These recommendations are submitted to the Legislature as technical, non-substantive reviser's bills.

The bill is a general reviser's bill that deletes statutory provisions that have been repealed by a non-current (past-year) session of the Legislature where that repeal or expiration date has now occurred, rendering the provision of no effect. Such provisions may be omitted from publication in the 2018 Florida Statutes only through a reviser's bill duly enacted by the Legislature.

The bill has no fiscal impact.

The bill was approved by the Governor on March 23, 2018, ch 2018-111, L.O.F., and becomes effective on May 10, 2018.
