Representative Lee offered the following:

Amendment (with title amendment)

Between lines 1189 and 1190, insert:

(8) STUDENT SUPPORT SERVICES TEAMS.—Each district school board shall adopt policies for the establishment of student support services teams composed of psychologists and social workers whose responsibilities are to provide support services and to assist children who exhibit mild to severely complex behavioral problems affecting their school performance. The number of teams shall be based on the student population within the school district. There shall be no more than 10,000 students assigned to each team with at least one team serving each school

14 district. Each team shall provide student support services to
15 students in elementary schools, middle schools, and high
16 schools. Teams may not be assigned to any single school but
17 shall be made available to assist school psychologists and
18 social workers assigned to schools throughout the district when
19 their caseloads become unmanageable. Teams shall be available on
20 an as-needed basis. A team shall coordinate all its activities
21 with the school administrator and certified school counselor at
22 each school. Each team shall provide a written quarterly report
23 on all severe cases to the appropriate school administrator and
24 the district school board.
