12 electronic means made to the owner, occupant, or an authorized
13 designee ~~a telephone number~~ associated with the premises
14 generating the alarm signal, before alarm monitor personnel
15 contact a law enforcement agency for alarm dispatch. The alarm
16 monitoring company ~~central monitoring station~~ must attempt to
17 confirm ~~employ call verification methods for the premises~~
18 ~~generating~~ the alarm signal a second time via communication with
19 the owner, occupant, or an authorized designee associated with
20 the premises if the first attempt to confirm ~~call~~ is
21 unsuccessful ~~not answered~~. However, alarm signal confirmation
22 ~~verification calling~~ is not required if:

23 (1) The intrusion/burglary alarm has a properly operating
24 visual or auditory sensor that enables the alarm monitoring
25 personnel to verify the alarm signal; or

26 (2) The intrusion/burglary alarm is installed on a premises
27 that is used for the storage of firearms or ammunition by a
28 person who holds a valid federal firearms license as a
29 manufacturer, importer, or dealer of firearms or ammunition,
30 provided the customer notifies the alarm monitoring company that
31 he or she holds such license and would like to bypass the two-
32 attempt confirmation ~~two-call verification~~ protocol. Upon
33 initiation of a new alarm monitoring service contract, the alarm
34 monitoring company shall make reasonable efforts to inform a
35 customer who holds a valid federal firearms license as a
36 manufacturer, importer, or dealer of firearms or ammunition of
37 his or her right to opt out of the two-attempt confirmation ~~two-~~
38 ~~call verification~~ protocol.

39 Section 2. This act shall take effect July 1, 2018.
