I. Summary:

SB 1068 expands the definition of crime for the purposes of providing assistance to a victim of a crime to include a violation of lewd or lascivious conduct, as described in s. 800.04, F.S.

The bill further specifies that intentionally touching of a person 16 or 17 years of age in a lewd or lascivious manner, or forcing or enticing a person 16 or 17 years of age to touch the actor, when such act is without the person's consent and directly results in psychiatric or psychological injury, is considered a crime for the purposes of providing assistance to a victim of a crime.

The bill also increases the maximum payment from \$500 to \$1000 that can be made for a victim of sexual battery or a lewd or lascivious offense to obtain an initial forensic physical examination.

The fiscal impact of the bill is indeterminate at this time. However, the Department of Legal Affairs (DLA) may incur costs associated with providing financial assistance to additional crime victims due to the expansion of the definition of crime. See Section V. Fiscal Impact Statement.

The bill is effective July 1, 2019.

II. Present Situation:

Assistance for Victims of a Crime

Florida law provides extensive assistance to victims of crimes. The Crime Victim's Services Office (Office) within the DLA is tasked with advocating for victims of crimes and informing them of their rights, among other things.¹ Current law defines a victim as:

- A person who suffers personal physical injury or death as a result of a crime;
- A person younger than 18 years of age who was present at the scene of a crime, saw or heard the crime, and suffered a psychiatric or psychological injury because of the crime but who was not physically injured;
- A person younger than 18 years of age who was the victim of a felony or misdemeanor offense of child abuse that resulted in a mental injury, but who was not physically injured;
- A person against whom a forcible felony was committed and who suffers a psychiatric or psychological injury as a direct result of that crime who does not otherwise sustain a personal physical injury or death; or
- An emergency responder who is killed answering a call for service in the line of duty.²

For the purposes of providing assistance to victims of a crime, the term crime is defined as:

- A felony or misdemeanor offense committed by an adult or a juvenile which results in a physical injury or death;
- A forcible felony committed by an adult or juvenile which directly results in psychiatric or psychological injury;
- A felony or misdemeanor offense of child abuse committed by an adult or a juvenile which results in a mental injury to a person younger than 18 years of age who was not physically injured by the criminal act;
- A violation of certain enumerated offenses³ that results in physical injury or death;
- An act involving the operation of a motor vehicle, boat, or aircraft that results in another person's injury or death that is intentionally inflicted through the use of the vehicle, boat, or aircraft;
- A criminal act committed outside the state against a resident of the state which would have been compensable if it had occurred in the state and which occurred in a jurisdiction that does not have an eligible crime victim compensation program;
- A violation of an enumerated offense⁴ related to online sexual exploitation and child pornography;
- A felony or misdemeanor that results in the death of an emergency responder while answering a call for service in the line of duty.⁵

In addition to providing advocacy and assistance to crime victims, the Office also administers a compensation program to ensure financial assistance is provided to victims of a crime. Injured

⁴ See ss. 827.071, 847.0135, 847.0137, and 847.0138, F.S.

⁵ Section 960.03(3)(a)-(f), F.S.

crime victims may be eligible for financial aid for medical care, lost income, mental health services, funeral expenses, and other expenses related to the injury.⁶

Among the types of financial aid a victim of a crime can receive is payment for medical expenses. Specifically, payment is made for a victim of sexual battery as defined in ch. 794, F.S., or a lewd or lascivious offense as defined in ch. 800, F.S., to obtain an initial forensic physical examination. A payment of up to \$500 will be made to cover the victim's examination, regardless of whether or not the victim is covered by health or disability insurance and whether the victim participates in the criminal justice system or cooperates with law enforcement.⁷ The defendant or juvenile offender of the crime for which the victim is obtaining a physical examination must make restitution to the Crimes Compensation Trust Fund⁸ in an amount equal to the compensation paid for the victim's exam.⁹

Lewd or Lascivious Conduct

Section 800.04, F.S., prohibits lewd or lascivious acts on a person under 16 years of age. The terms "lewd" and "lascivious" are synonymous and mean wicked, lustful or unchaste, licentious, or sensual intent on the person committing the act.¹⁰ Current law prohibits a person from committing a lewd or lascivious battery, which is defined as engaging in sexual activity¹¹ with a person 12 years of age or older but less than 16 years of age, or encouraging, forcing, or enticing any person less than 16 years of age to engage in sexual activity.¹² Additionally, intentionally touching in a lewd or lascivious manner the breasts, genitals, genital area, or buttocks, or the clothing covering them, of a person less than 16 years of age, or forcing or enticing a person under 16 years of age to touch the perpetrator in such a manner, is lewd or lascivious molestation and is prohibited.¹³ In all instances of the commission of a lewd or lascivious offense, the victim's consent cannot be used as a defense.¹⁴ The law does not prohibit such conduct for people who are 16 or 17 years of age.

III. Effect of Proposed Changes:

The bill expands the definition of crime for the purposes of providing assistance to a victim of a crime to include a violation of lewd or lascivious conduct, as described in s. 800.04, F.S.

⁷ Section 960.28(2), F.S.

⁸ The DLA is tasked with administering the Crimes Compensation Trust Fund, which is created for the purpose of providing for the payment of all necessary and proper expenses incurred by the operation of the DLA and the payment of claims. Money recovered through restitution is one source of funding for the Crimes Compensation Trust Fund. Section 960.21, F.S.

¹¹ "Sexual activity" means the oral, anal, or vagina penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another by any other object. However, sexual activity does not include an act done for a bona fide medical purpose. Section 800.04(1)(a), F.S.

¹² Section 800.04(4), F.S.

¹³ Section 800.04(5), F.S.

¹⁴ Section 800.04(2), F.S.

The bill further specifies that intentionally touching the breasts, genitals, genital area, or buttocks, or the clothing covering those areas, of a person 16 or 17 years of age in a lewd or lascivious manner, or forcing or enticing a person 16 or 17 years of age to touch the actor, when such act is without the person's consent and directly results in psychiatric or psychological injury, is considered a crime for the purposes of providing assistance to a victim of a crime.

The bill also increases the maximum payment from \$500 to \$1000 that can be made for a victim of sexual battery or a lewd or lascivious offense to obtain an initial forensic physical examination.

The bill is effective July 1, 2019.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The fiscal impact of the bill is indeterminate at this time. However, the bill increases the maximum payment that can be made for the purposes of a victim of a crime of sexual battery or a lewd or lascivious offense to obtain an initial forensic physical examination. In such an instance, the defendant or juvenile offender of the crime for which the victim is obtaining a physical examination must make restitution in the amount equal to the

payment made to cover the medical cost. As a result, such defendant or juvenile offender may be ordered by the court to pay more money in restitution.

C. Government Sector Impact:

The fiscal impact of the bill is indeterminate at this time. However, the bill expands the definition of a crime to include lewd or lascivious offenses. With this, the DLA may incur costs associated with providing financial assistance to victims of such additional crimes.

The bill also increases the maximum payment that can be made for the purposes of a victim of a crime of sexual battery or a lewd or lascivious offense to obtain an initial forensic physical examination. In fiscal year 2017-18, the DLA approved 4,065 claims for sexual battery examinations.¹⁵ An increase in the amount of money that may be paid to a victim for such an examination may have a fiscal impact on the DLA by reducing the funds available in the Crimes Compensation Trust Fund, which is used to finance such medical costs, in those instances where a defendant or juvenile offender is ordered by the court to make restitution, but fails to do so.

VI. Technical Deficiencies:

None.

VII. Related Issues:

The bill seeks to expand the definition of “crime” for the purposes of providing assistance to victims of enumerated crimes. Specifically, lines 35-41 of the bill describes conduct that is not currently a crime. Therefore, the bill establishes eligibility for assistance to victims of an act that cannot currently be prosecuted. Section 800.04, F.S., prohibits the commission of a lewd or lascivious offense against a person *less than 16 years of age*. A commission of the offense described in lines 35-41 of the bill is not a crime because a lewd or lascivious offense committed against a person *16 or 17 years of age* does not fall within the ambit of s. 800.04, F.S. Therefore, the DLA would be tasked with providing assistance to “victims” of a crime that does not currently exist.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 960.03 and 960.28.
