9
10 Be It Enacted by the Legislature of the State of Florida:

11
12 Section 1. Companion Animal Public-Private Partnership
13 Act.—

14 (1) The Legislature finds that public-private partnerships
15 between local government shelters, private shelters, and
16 nonprofit organizations provide millions of dollars in cost
17 savings to local governments in other states that have
18 implemented such partnerships and that such partnerships reduce
19 the costs associated with holding and euthanizing animals to
20 taxpayers by transferring such costs from public agencies to
21 private organizations, generate revenue for local governments
22 through adoption fees, and reduce the number of animals
23 euthanized.

24 (2) As used in this section, the term:

25 (a) "Animal shelter" means a public or private facility
26 that:

27 1. Has a physical structure that provides temporary or
28 permanent shelter for stray, abandoned, abused, or owner-
29 surrendered animals.

35 prognosis for being able to live without severe, unremitting
36 physical pain, even with comprehensive, prompt, and necessary
37 veterinary care, as certified in writing by a licensed
38 veterinarian.

39 (c) "Licensed veterinarian" means a person licensed to

46 Code.
