---

The Committee on Appropriations (Book) recommended the following:

**Senate Amendment (with title amendment)**

Delete lines 111 - 128

and insert:

treatment, and transport-destination protocols for stroke patients with the intent to assess, treat, and transport stroke patients to the most appropriate hospital. Such protocols must consider the capability of an emergency receiving facility to improve outcomes for those patients suspected of having an emergent large vessel occlusion.

865842

11           (4) Each emergency medical services provider licensed under  
12 chapter 401 must comply with ~~all sections of this~~ section ~~act~~.

13

14 ===== T I T L E   A M E N D M E N T =====

15 And the title is amended as follows:

16           Delete lines 14 - 21

17 and insert:

18           act; amending s. 395.3041, F.S.; requiring specified  
19 protocols to consider the capability of an emergency  
20 receiving facility to improve outcomes for certain  
21 patients; clarifying applicability; providing an  
22 effective date.
