460 consider its ability to meet its total debt service obligation

477 available to pay debt service on outstanding tax-supported debt  
478 of the local government; and

479 (b) The numerator of which is the total annual debt  
480 service for outstanding tax-supported debt of the local  
481 government.

488 the Auditor General, or in the event the local government has  
489 not complied with this part, the affidavit shall instead include

492 prevent such noncompliance in the future.

493 218.89 Local government websites.—If a local government is  
494 required under this part to post information on its website, but  
495 does not operate an official website, the local government must  
496 provide the county or counties within which the local government  
497 is located the information required to be posted, and each such  
498 county shall post the required information on its website.
