215.555 Florida Hurricane Catastrophe Fund.—

(4) REIMBURSEMENT CONTRACTS.—

(b)1. The contract shall contain a promise by the board to reimburse the insurer for 45 percent, 75 percent, or 90 percent of its losses from each covered event in excess of the insurer's retention, plus 5 percent of the reimbursed losses to cover loss adjustment expenses. For contracts and rates effective on or after June 1, 2019, the loss adjustment expense reimbursement must be 10 percent of the reimbursed losses.

2. The insurer must elect one of the percentage coverage levels specified in this paragraph and may, upon renewal of a reimbursement contract, elect a lower percentage coverage level if no revenue bonds issued under subsection (6) after a covered event are outstanding, or elect a higher percentage coverage level, regardless of whether or not revenue bonds are outstanding. All members of an insurer group must elect the same percentage coverage level. Any joint underwriting association, risk apportionment plan, or other entity created under s. 627.351 must elect the 90-percent coverage level.

(b) The owner, including persons who are self-insured, of a motor vehicle or mobile home that is considered to be salvage shall, within 72 hours after the motor vehicle or mobile home becomes salvage, forward the title to the motor vehicle or mobile home to the department for processing. However, an insurance company that pays money as compensation for the total loss of a motor vehicle or mobile home shall obtain the certificate of title for the motor vehicle or mobile home, make the required notification to the National Motor Vehicle Title Information System, and, within 72 hours after receiving such certificate of title, forward such title by the United States Postal Service, by another commercial delivery service, or by electronic means, when such means are made available by the department, to the department for processing. The owner or insurance company, as applicable, may not dispose of a vehicle or mobile home that is a total loss before it obtains a salvage certificate of title or certificate of destruction from the department. Effective January 1, 2020 July 1, 2023:

1. Thirty days after payment of a claim for compensation pursuant to this paragraph, the insurance company may receive a salvage certificate of title or certificate of destruction from
the department if the insurance company is unable to obtain a properly assigned certificate of title from the owner or lienholder of the motor vehicle or mobile home, if the motor vehicle or mobile home does not carry an electronic lien on the title and the insurance company:

b. Has provided proof of payment of the total loss claim;

and

c. Has provided an affidavit on letterhead signed by the insurance company or its authorized agent stating the attempts that have been made to obtain the title from the owner or lienholder and further stating that all attempts are to no avail. The affidavit must include a request that the salvage certificate of title or certificate of destruction be issued in the insurance company's name due to payment of a total loss claim to the owner or lienholder. The attempts to contact the owner may be by written request delivered in person or by first-class mail with a certificate of mailing to the owner's or lienholder's last known address.

2. If the owner or lienholder is notified of the request for title in person, the insurance company must provide an affidavit attesting to the in-person request for a certificate of title.

3. The request to the owner or lienholder for the
certificate of title must include a complete description of the
motor vehicle or mobile home and the statement that a total loss
claim has been paid on the motor vehicle or mobile home.

chapter 668 satisfies any signature required under this

624.1055 Right of contribution among liability insurers for defense costs.—A liability insurer who owes a duty to defend an insured and who defends the insured against a claim, suit, or other action has a right of contribution for defense costs against any other liability insurer who owes a duty to defend the insured against the same claim, suit, or other action, provided that contribution may not be sought from any liability insurer for defense costs that are incurred before the liability insurer's receipt of notice of the claim, suit, or other action.

(1) APPORTIONMENT OF COSTS.—The court shall allocate defense costs among liability insurers who owe a duty to defend the insured against the same claim, suit, or other action in accordance with the terms of the liability insurance policies. The court may use such equitable factors as the court determines are appropriate in making such allocation.

(2) ENFORCEMENT OF RIGHT OF CONTRIBUTION.—A liability insurer who is entitled to contribution from another liability insurer under this section may file an action for contribution in a court of competent jurisdiction.

(3) CONSTRUCTION.—

(a) This section is not intended to alter any terms of a liability insurance policy or to create any additional duty on
the part of a liability insurer to an insured. 

(b) An insured may not rely on this section as grounds for a complaint against a liability insurer.

(4) APPLICABILITY.—This section applies to liability insurance policies issued for delivery in this state, or liability insurance policies under which an insurer has a duty to defend an insured against claims asserted or suits or actions filed in this state. Such liability insurance policies include surplus lines insurance policies authorized under the Surplus Lines Law, ss. 626.913-626.937.

(5) Notwithstanding subsection (4), this section does not apply to motor vehicle liability insurance or medical professional liability insurance.

Section 6. Subsection (3) of section 624.155, Florida Statutes, is amended to read:

624.155 Civil remedy.—

(3)(a) As a condition precedent to bringing an action under this section, the department and the authorized insurer must have been given 60 days' written notice of the violation. If the department returns a notice for lack of specificity, the 60-day time period shall not begin until a proper notice is filed.

(b) The notice shall be on a form provided by the department and shall state with specificity the following information, and such other information as the department may
require:
1. The statutory provision, including the specific language of the statute, which the authorized insurer allegedly violated.
2. The facts and circumstances giving rise to the violation.
3. The name of any individual involved in the violation.
4. Reference to specific policy language that is relevant to the violation, if any. If the person bringing the civil action is a third party claimant, she or he shall not be required to reference the specific policy language if the authorized insurer has not provided a copy of the policy to the third party claimant pursuant to written request.
5. A statement that the notice is given in order to perfect the right to pursue the civil remedy authorized by this section.

(c) Within 20 days of receipt of the notice, the department may return any notice that does not provide the specific information required by this section, and the department shall indicate the specific deficiencies contained in the notice. A determination by the department to return a notice for lack of specificity shall be exempt from the requirements of chapter 120.

(c)(d) No action shall lie if, within 60 days after filing notice, the damages are paid or the circumstances giving rise to
the violation are corrected.

(d) The authorized insurer that is the recipient of a notice filed pursuant to this section shall report to the department on the disposition of the alleged violation.

(e) The applicable statute of limitations for an action under this section shall be tolled for a period of 65 days by the mailing of the notice required by this subsection or the mailing of a subsequent notice required by this subsection.

(f) A notice required under this subsection may not be filed within 60 days after appraisal is invoked by any party in a residential property insurance claim.

Section 14. Section 627.4555, Florida Statutes, is amended
to read:

627.4555  Secondary notice.—
(1) Except as provided in this section, a contract for
life insurance issued or issued for delivery in this state on or
after October 1, 1997, covering a natural person 64 years of age
or older, which has been in force for at least 1 year, may not
be lapsed for nonpayment of premium unless, after expiration of
the grace period, and at least 21 days before the effective date
of any such lapse, the insurer has mailed a notification of the
impending lapse in coverage to the policyowner and to a
specified secondary addressee if such addressee has been
designated in writing by name and address by the policyowner. An
insurer issuing a life insurance contract on or after October 1,
1997, shall notify the applicant of the right to designate a
secondary addressee at the time of application for the policy,
on a form provided by the insurer, and at any time the policy is
in force, by submitting a written notice to the insurer containing the name and address of the secondary addressee. For purposes of any life insurance policy that provides a grace period of more than 51 days for nonpayment of premiums, the notice of impending lapse in coverage required by this section must be mailed to the policyowner and the secondary addressee at least 21 days before the expiration of the grace period provided in the policy. This section does not apply to any life insurance contract under which premiums are payable monthly or more frequently and are regularly collected by a licensed agent or are paid by credit card or any preauthorized check processing or automatic debit service of a financial institution.

(2) If the policyowner has a life agent of record or any agent of record, the insurer must also notify the agent of the impending lapse in coverage or mail or send electronically a copy of the notification of the impending lapse in coverage under subsection (1) to the agent at least 21 days before the effective date of any such lapse. Receipt of such notice does not make the agent responsible for any lapse in coverage. An insurer is not required to notify the agent under this subsection if any of the following applies:

(a) The insurer maintains an online system that allows an agent to independently determine if a policy has lapsed.

(b) The insurer maintains a procedure that allows an agent to independently determine whether the notice of lapse has been
sent to the insured.

(c) The insurer has no record of the current agent of record.

(d) The agent is employed by the insurer or an affiliate of the insurer.

Section 15. Subsection (2) of section 627.7015, Florida Statutes, is amended to read:

627.7015 Alternative procedure for resolution of disputed property insurance claims.—

(2) At the time of issuance and renewal of a policy or at the time a first-party claim within the scope of this section is filed by the policyholder, the insurer shall notify the policyholder of its right to participate in the mediation program under this section. The department shall prepare a consumer information pamphlet for distribution to persons participating in mediation.

Section 16. Subsection (7) of section 627.7295, Florida Statutes, is amended to read:

627.7295 Motor vehicle insurance contracts.—

(7) A policy of private passenger motor vehicle insurance or a binder for such a policy may be initially issued in this state only if, before the effective date of such binder or policy, the insurer or agent has collected from the insured an amount equal to at least 1 month's premium. An insurer, agent, or premium finance company may not, directly or
indirectly, take any action resulting in the insured having paid
from the insured's own funds an amount less than the 1 month's 2
monthly premium required by this subsection. This subsection
applies without regard to whether the premium is financed by a
premium finance company or is paid pursuant to a periodic
payment plan of an insurer or an insurance agent. This
subsection does not apply if an insured or member of the
insured's family is renewing or replacing a policy or a binder
for such policy written by the same insurer or a member of the
same insurer group. This subsection does not apply to an insurer
that issues private passenger motor vehicle coverage primarily
to active duty or former military personnel or their dependents.
This subsection does not apply if all policy payments are paid
pursuant to a payroll deduction plan, an automatic electronic
funds transfer payment plan from the policyholder, or a
recurring credit card or debit card agreement with the insurer.
This subsection and subsection (4) do not apply if all policy
payments to an insurer are paid pursuant to an automatic
electronic funds transfer payment plan from an agent, a managing
general agent, or a premium finance company and if the policy
includes, at a minimum, personal injury protection pursuant to
ss. 627.730-627.7405; motor vehicle property damage liability
pursuant to s. 627.7275; and bodily injury liability in at least
the amount of $10,000 because of bodily injury to, or death of,
one person in any one accident and in the amount of $20,000
because of bodily injury to, or death of, two or more persons in any one accident. This subsection and subsection (4) do not apply if an insured has had a policy in effect for at least 6 months, the insured's agent is terminated by the insurer that issued the policy, and the insured obtains coverage on the policy's renewal date with a new company through the terminated agent.

Section 17. Section 624.1055, Florida Statutes, as created by this act, applies to any claim, suit, or other action initiated on or after January 1, 2020.

Section 18. Except as otherwise expressly provided in this act, this act shall take effect July 1, 2019.
