5 **Amendment (with title amendment)**

6 Remove lines 81-95 and insert:

7 (3) A licensee who uses a laser or pulsed-light device in
 8 a laser hair removal or reduction procedure must either have
 9 passed an examination given by a nationally recognized
 10 electrology organization or another organization as approved by
 11 the board in the use of such device, or have passed a licensure
 12 examination approved by the board that tests both epilator, and
 13 laser and light-based modalities.

14 Section 6. Subsection (4) of section 478.50, Florida
 15 Statutes, is amended to read:

Amendment No.1

16 478.50 Renewal of license; delinquent status; address
17 notification; continuing education requirements.-

18 (4) (a) An application for license renewal must be
19 accompanied by proof of the successful completion of 20 hours of
20 continuing education courses or proof of successfully passing a
21 reexamination for licensure within the immediately preceding
22 biennium which meets the criteria established by the board. Both
23 the continuing education and reexamination shall contain
24 education on blood-borne diseases. If a licensee uses laser or
25 light-based modalities and is renewing a license by completing
26 20 hours of continuing education courses, a minimum of 10 hours
27 of such continuing education courses must include education on
28 laser and light-based modalities.
