12 or guardian upon administration of the vaccination and the  
13 parent or guardian may execute the opt-out form for the health  
14 care practitioner or entity at that time, return it at a later  
15 date, or submit the form directly to the department. If the form  
16 is delivered to the health care practitioner or entity, the  
17 practitioner or entity must submit the form to the department.  
18 Any records or identifying information pertaining to the child  
19 must be removed from ~~The decision to not participate in the~~  
20 ~~immunization registry must be noted in the registry if the~~  
21 parent or guardian has refused to have his or her child included  
22 in the immunization registry.

23 3. A college or university student, from 18 years of age to  
24 23 years of age, who obtains a vaccination from a Florida  
25 college or university student health center may refuse to be  
26 included in the immunization registry by signing an opt-out form  
27 obtained from the department or from the Florida college or  
28 university student health center which indicates that the  
29 student does not wish to be included in the immunization  
30 registry. The opt-out form must be provided to the department  
31 and to the health care practitioner upon the administration of
