The Governor is required to adopt a protocol on state flag display.⁵ The protocol must provide guidelines for the proper display of the flag and for the lowering of the flag to half-staff on appropriate occasions, such as on holidays and upon the death of high-ranking state officials, uniformed law enforcement and fire service personnel, and prominent citizens.⁶ The Governor may adopt, repeal, or modify any rule or custom pertaining to the display of the state flag as the Governor deems appropriate.⁷

As of January 1, 2016, U.S. and state flags purchased by the state, a county, or a municipality for public use must be made in the United States from articles, materials, or supplies grown, produced, and manufactured in the United States.⁸

POW – MIA Flag

A POW-MIA flag must be displayed at each state-owned building at which the U.S. flag is displayed if the POW-MIA flag is available free of charge to the agency that occupies the building and if such display is in accordance with federal laws and regulations.⁹ The Department of Transportation also must display the flag year round at each rest area along an interstate highway in the state.¹⁰ In addition, the Department of Environmental Protection must purchase and display the POW-MIA flag year round at each state park where the U.S. flag is displayed.¹¹

Firefighter Memorial Flag

Effect of Proposed Changes

The bill designates the Honor and Remember Flag (flag) as the state's emblem of the service and sacrifice of the brave men and women of the U.S. Armed Forces who have given their lives in the line of duty. The bill authorizes the flag to be displayed, in a manner designed to ensure visibility to the public, at any state-owned building at which the U.S. flag is displayed, any state-owned military memorials, and any other state-owned location.

The bill authorizes the flag to be displayed on the following days:

- Veterans Day, November 11;
- Gold Star Mother's Day, the last Sunday in September; and
- A day on which a member of the U.S. Armed Forces who is a resident of the state loses his or her life in the line of duty.

In addition, a local government may display the flag at any local government building at which the U.S. flag is displayed and at any other local government location it deems appropriate.

The bill specifies that an Honor and Remember Flag displayed pursuant to the bill must be manufactured in the U.S., and may be displayed on a flagpole with no more than two additional flags.

By July 1, 2020, a department or an agency responsible for a location where a flag is displayed, or a local government displaying the flag, may adopt regulations as necessary to carry out the provisions of the bill. The regulations may not require an employee to report to work solely to display the flag.
