276 to deliver the petition form promptly is based upon force
277 majeure or impossibility of performance.

278 (8) If the Secretary of State reasonably believes that a
279 person or entity has committed a violation of this section, the

365 contained and be set forth after the ballot summary as required
366 in s. 101.161(1). If the financial impact statement estimates
367 increased costs, decreased revenues, a negative impact on the
368 state or local economy, or an indeterminate impact for any of
369 these areas, the ballot must include a statement indicating such
370 estimated effect in bold font.

371 (e)1. Any financial impact statement that the Supreme
372 Court finds not to be in accordance with this subsection shall
373 be remanded solely to the Financial Impact Estimating Conference
374 for redrafting, provided the court's advisory opinion is
375 rendered at least 75 days before the election at which the

376 question of ratifying the amendment will be presented. The
377 Financial Impact Estimating Conference shall prepare and adopt a
378 revised financial impact statement no later than 5 p.m. on the
379 15th day after the date of the court's opinion.

380 2. If, by 5 p.m. on the 75th day before the election, the
381 Supreme Court has not issued an advisory opinion on the initial
382 financial impact statement prepared by the Financial Impact
383 Estimating Conference for an initiative amendment that otherwise
384 meets the legal requirements for ballot placement, the financial
385 impact statement shall be deemed approved for placement on the
386 ballot.

387 3. In addition to the financial impact statement required
388 by this subsection, the Financial Impact Estimating Conference
389 shall draft an initiative financial information statement. The
390 initiative financial information statement should describe in
391 greater detail than the financial impact statement any projected
392 increase or decrease in revenues or costs that the state or
393 local governments would likely experience and the estimated
394 economic impact on the state and local economy if the ballot
395 measure were approved. If appropriate, the initiative financial
396 information statement may include both estimated dollar amounts
397 and a description placing the estimated dollar amounts into

399 include both a summary of not more than 500 words and additional
400 detailed information that includes the assumptions that were

401 made to develop the financial impacts, workpapers, and any other
402 information deemed relevant by the Financial Impact Estimating
403 Conference.

404 4. The Department of State shall have printed, and shall
405 furnish to each supervisor of elections, a copy of the summary

409 the main office of the supervisor of elections upon request.
